School Board Okays Audit Asks Insurance Proposal

An audit made for the Cameron Independent School District by a Temple firm of Yarborough, Vance and Associates was accepted at a meeting of the board Thursday night.

The auditors have supplied the schools with about ten extra copies of the elaborately bound report with an abbreviated supplemental report either of which the board feels will make good reading for any who desire to check out the reports.

In comment on the report Ray Vance, present for the meeting, stated that the activity fund had been a "clearing house" for unbudgeted funds.

Superintendent Wiley Loughmiller stated that with the bookkeeping system set up by the firm of auditors "We now have a trace of every penny and it is easily found in the new set of books."

Upon request of a board member Vance quoted an approximate $400 annual charge for an audit each year with a quarterly inspection to assure that all entries are being kept correctly.

The Band Sweetheart in the future will be elected by members of the band in a manner of their own choosing. The method of solicitation of funds which this year brought in in excess of $200 was started in 1934 or '35 according to Band director Francis Cox who stated that at that time the Band Parents found it incumbent upon themselves to finance a better band and in order to give awards and buy instruments that methods such as that pursued was necessary to the success of their efforts at fund raising. Another necessity which had its derivation in the thirties under the Band Parents was the payment of $600 annually to the band director for two summer months of instruction to the students in the summer.

Francis Cox, band director, stated that while money is nice and a necessity it is not everything and that he felt that readying the band in the summer time for opening the season with a band that is ready rather than acquiring that state of readiness at about Christmas time is a necessity for the morale of the students and the community.

Don G. Humble, board member, stated that some patrons had criticized the board to him because they were of the opinion that the board wanted to "Cut" the director's salary. Such could not be further from the truth, the lawyer said, because I believe that "Rather than charge the student for his instruction it would be more appropriate to pay for his services during the year." The board concurred in the opinion that there was no inference that Cox did not earn the summer emolument but that the school should pay him rather than charging the $6 annual fee which has traditionally been collected at fifty cents per month. The question was resolved by motion to place the 25 year Yoe Band Director on an eleven month status at an amount exactly in line with his present nine month pay. The method of collecting from the student was a "left-over" from the days when the Band Parents felt the need for a better band and felt that they should pay if no other way could be found.

A representative of the Insurance Company of North America threw a bombshell among representatives of Cameron Insurance firms at a meeting of the Cameron Independent School District Board meeting Thursday night when he suggested, following his survey ordered by the board, that all fire policies now written through 17 different companies all be placed with one company.

A time consuming discussion of board developed when a member asked that the insurance men be asked to retire to the adjoining room and thrash out an acceptable plan of writing the million dollars plus coverage, giving the five or six accredited companies in Cameron a proportionate share of the business.

After considering the problem for nearly an hour the local agents offered the suggestion that since the two firms represented by ladies were not present that they would take the reports of the Insurance Company of America

See School Board, back page

—O—

Cameron will play only segregated teams this year in accordance with a vote of the school board Thursday night. The vote came only after a determined effort on the part of two board members to decline athletic relations with schools which integrate either on the football team OR in the band.

The Killeen High School intergrates in both team and band. And the Yoe-Kangaroo tilt may have to be cancelled if the present B team colored lad is elevated to the A squad.

Killeen is expected to have its fully integrated band at the game scheduled, at this time, to be played there on November 2.

—O—

Free Rat Control Offered By C of C Is State Service

The Cameron Chamber of Commerce will sponsor a rat control project on October 22 and will last for about five days. The U. S. Fish and Wildlife Service out of San Antonio will send a man here on this date to go around to the business houses and put the poison out. A letter from the chamber office will introduce the man doing the work. This service is being offered free of charge.

Mr. E. E. Calender of San Antonio and D. S. Wimberly, Sanitarian of the Local Health Unit will be in charge of the program.

The service is free to the business people of the city but is not compulsory. It would expedite matters very much if the operators of heavily infested places would call into the Milam Health unit and leave their firm name and address.

Councilmen Taking Action On Garbage

City councilmen in a regular meeting Tuesday night, October 16, decided to take bids for a garbage truck with a packer type body. These bids will then be studied to see if and when the city fathers will be able to acquire such a facility for Cameron.

R. T. Dulaney of the Dulaney Service Company in San Antonio was at the meeting to explain the economy and efficiency of such a garbage truck. Under the plan outlined by Dulaney, the body would be acquired by the city on a lease agreement plan under which the municipal body would hold an option for purchasing the body at any time they see fit.

This type truck body would save the city, Dulaney said, in oil, gas and general maintenance of the truck since trips to the city dump could be reduced by about 80 percent. At the same time, he pointed out that garbage pickups would be speedier and that such a body would prevent trash blowing from the truck and the dripping of garbage moisture on the streets.

It was also voted to recall the City Board of Equalization to make a re-check on certain tax renditions and delinquent taxes.

Uncollected traffic fines will be further studied by City Attorney Bill Black. Following this study warrants will be issued for all parties deemed at fault.

Other items on which decisions were reached by the council included the purchase of two new maintainer tires and the moving of a street light back into the city and which only recently was placed 38 feet outside the city limits.

It was also decided to issue a new request for bids on a new police car. The new request asks for "an interceptor police car" without other specifications and will give more local dealers an opportunity to bid.

AWOL Sailor Taken Into Custory Here

Cecil Wayne Baker, 20, native of Conroe and with Cameron listed as his current home, was taken into custody Tuesday night by City Patrolman Warren McCall. Apprehension was made following receipt from the U. S. Navy requesting he be held for the Navy on an AWOL charge. Baker was turned over to military authorities at Fort Hood Wednesday morning.

The Navy requisition stated Baker was absent without leave from his post as a seaman with the Texas Group, Atlantic Reserve Fleet, Orange, Texas.

Dr. Thomas Leland Denson, 55 Dies At His Home Saturday PM

DR. THOMAS LELAND DENSON

Saturday, October 13, 4 p.m., in Cameron, Milam County and Texas Medical annals, will be marked as the passing of Dr. Thomas Leland Denson ,55 of Cameron.

A fourth heart attack came as the doctor sat in his living room watching a football game on television. The fatal coronary occlusion was anticipated and as the doctor noted the symptoms of labored breath he pronounced his own death to his housemaid with "This is it," and smilingly "wrapped the drapes of his couch about him..."

Born March 3, 1901 at Maysfield the doctor was graduated from Baylor University in 1923 and from Baylor University in 1923 Medical School in Galveston in 1928, interned at the Kings Daughters Hospital in Temple and took post graduate work at Cook County Graduates School of Medicine in Chicago.

After a short residency in Temple he moved to Cranfils Gap in McLennan County to later move back home to Milam County and Cameron to be associated with his father, Dr. John and uncle, Dr Tom Denson and to organize the present Denson Clinic here.

Serving three times as president of the Milam County Medical Society and as secretary he also served the Texas Medical Society on committees and was a member of the American Medical Association and the Academy of General Practice. His practice was in internal medicine and general practice. Several of his papers were published in medical journals.

He was consulting doctor and local surgeon for both the Santa Fe and the Southern Pacific Railroads.

He was a member of the First Christian Church in Cameron and was a past master of San Andres Masonic Lodge, 170 AF and AM and became the first president of the Cameron Country Club upon its re-activation after the second world war.

While in Baylor University, as a member of the baseball squad, he attained the highest batting average in the Southwest Conference for the year 1923.

Surviving are his widow, Mrs. Ann Ruth Denson; a daughter, Mrs. Dale Paschall of Houston, a son, Talley Denson of Austin; A brother, Lane Denson of Dallas; two sisters, Mrs. Roy Baskin and Mrs. J. E. Flinn of Cameron.

Services at the Green Funeral home were officiated by Reverend C. H. Morris of the First Christian Church and Rev. Richard Bradshaw, Vicar of All Saints Episcopal Mission of which Mrs. Denson is a member. Burial was in Oak Hill Cemetery at approximately 4 p. m. Saturday with approximately 200 at the graveside and a host of approximately 500 attended services at the funeral parlor.

Pallbearers were nephews, Dr. John Lane Baskin of Dallas, Dr. Grady Baskin of Tyler, Tom Denson of Dallas, Bob Anderson of Beaumont, Bob Womble of Belton, Kenneth Weatherford of San Marcos, Rev. Ed. Flinn (Episcopalian minister) of Hearst and Bill Bowers of Austin.

Members of the Milam County Medical Society were honorary pallbearers.

Seniors To Fete Exes . .

Homecoming Parade, Rally Today Called Yoe's Biggest

Styled the biggest homecoming parade and pep rally ever staged by Yoe High the student body will turn out for an 11 a.m. activity period today (Thursday) to "Pep it up" for the Cameron-Caldwell game which is set apart from the other games of the season to honor the ex-students who return for the game. Principal Dick Young said this week that ."This will be the biggest one yet."

A queen will be chosen as a result of student participation in the rally and parade. A float bearing a class queen candidate will be entered by each class.

The Senior float will bear Rita Moraw; the Junior float will present Carol Ann Heitman; the Sophomore nominee will be Patsy Anderle and the Freshmen nominate Patricia Janek.

In the contest the float will be considered, plus student participation in making the float and in

Graduates of the '55 and '56 classes have been personally invited but the invitation goes out to ALL EXES to attend the af- taking part in the rally plus ticket selling.

The band will lead the parade beginning at the Post Office at 11 a.m. proceding toward the corner of the New Cameron Drug Store, thence east on Main to Fannin, around the courthouse and ending on the Central Avenue side of the courthouse where the pep rally will be held.

ter game affair to be held in the Homemaking Department immediately after the game and sponsored by the Senior Class.

At halftime, following the band routine which will be shortened slightly, the superintendent of schools, Wiley Loughmiller will crown the queen who will be escorted by the football captains through a cordon formed by the band.

Rev. Patrick Serves In Marlow Church

Rev. Kenneth Patrick, a ministerial student in Waco, has accepted the position of pastor in the Marlow Baptist Church in the Marlow community. Rev. Patrick and his wife, Wanda, currently resided in Waco.

The Marlow church has been without a pastor for the last few Sundays.

Quarterbacks Meet

Cameron Quarterback Club held their regular meeting Monday night at 7:30 in the FFA Building at Yoe High School. Bob Nelson presided at the meeting.

Coach Leo Jackson discussed the Cameron-Rosebud game and ran films of the same. Coach Jim Speer outlined the present condition of the Yoeman eleven while Coach Murphy Webster told what to expect from the Caldwell team this coming Friday night.

K of P Hosts To District 7 Monday

Cameron Knights of Pythias will be hosts to District 7 Phthians on Monday night at 7:30 p.m. with a Chicken Supper preceding a business session.

It was stated by an officer of the Cameron Lodge that "Plenty of dignitaries will be present."

Operation Of Milam Coffee Shop Changes

The Milam Coffee Shop, across from the courthouse on Central may now be thought of as the Mayhew Milam Coffee Shop and Cafe. It is now under new management of Mrs. Ora Mayhew.

The Lynn B. Mayhews have been in Cameron for a couple of years. Mr. Mayhew is in the Insurance business.

When Jerome Smith, a brother-in-law of Mrs. Mayhew moved to Cameron she was encouraged to get back into the cafe business in which she was "born and raised." Smith is a chef by trade, having worked in several resort hotels in Florida before coming to Cameron.

While the breakfasts and lunches will be cafeteria service and featuring five cent coffee the evening hours will be operated in cafe style with Mexican dishes a

Democratic Band Wagon Moves Into Cameron

Congressman Bob Poage of the 11th Congressional District pins a Stevenson-Kefauver button on the lapel of Don Humble, Cameron attorney and member of the Milam County Democratic Committee. At left is State Senator Jarrard Secrest talking over local campaign plans with Vic Hannon, also of Cameron. Mrs. Dorothy Nichols, who was travelling with the Stevenson-Kefauver band wagon, can be seen behind the senator as she pins a button on an unseen member of the audience. Another member of caravan not pictured was Mrs. Martha Bevis.

Consisting of a placarded automobile trailed by a charter bus with signs on front, back and both sides rallying voters to the Democratic ticket, the caravan moved into Cameron shortly after noon Wednesday, October 10. The rally got underway almost immediately with short talks by Humble, who introduced Senator Secrest, who in turn introduced Congressman Poage, the featured speaker.

The congressman spoke briefly on his views of the GOP administration and pointed out what could be expected with the election of the Stevenson-Kefauver ticket.

Scattered Showers Fall Over Cameron

Rain in Cameron Monday and Tuesday of this week totaled 2.1t inches at the official gauge of the City Water Department. Elsewhere in the city, private gauges held readings much higher in places and less in others.

Reading for Monday was .85 inches while one citizen recorded 1.6 and with 1.31 inches officially Tuesday afternoon, Wayne Mann reported his gauge held better than 2 inches while W. D. Bigbee said he received too little to record at his home.

Warrants Hard To Get On Violators Who Renege In City

Police report for Cameron for the month of September shows 41 traffic violations and a total collection of $459 in fines. Adding $69.50 in fines for drunkenness and disturbance for a total of $519.50.

278 gallons of gasoline were consumed as the night patrol is on order to travel through alleys and out of way places not less than 100 miles per night. Ten quarts of oil were used.

Four people did not pay their fines and the police department reports warrants for their arrest have been withheld. Total in fines owed by these four offenders totals $81.

Funeral Services Today For Mrs. Palm

Funeral services are being held Thursday at 10 a.m. for Mrs. Bertha Tuttle Palm, who died in a San Antonio Hospital Monday, October 15. She lived in Milam County most of her life.

Services are being held in the Marek-Burns Chapel in Cameron. Burial follows in Oak Hill Cemetery.

Mrs. Palm is survived by one daughter, Capt. Jamie F. Palm of San Antonio; one brother, Dr. Tom H. Tuttle of Boling Green, Ohio, and one sister, Mrs. Lillian Tuttle West of Waco.

Mrs. Stewart, Sister Of H. B. Pressley Buried Here Today

Mrs. Mamie Stewart, sister of H. B. Pressley of Cameron died at her home in Dallas Tuesday.

Funeral services were scheduled for 2 p.m. Thursday at Marlow Baptist Church with Rev. John Solomon, pastor of the First Presbyterian Church, in Cameron officiating. Burial will be in the Marlow Community Cemetery.

Local arrangements in charge of Green's Funeral Home.

St. Edwards Hospital Report of Patients

Patients receiving treatment at the St. Edwards Hospital during the week ending Tuesday noon, October 16, follow.

Cameron: Mrs. B. C. Caldwell, Mrs. W. A. Robinson, Ivan Cleek, Miss Olga Marek, T. E. Robinson, of Rt. 3 and Mrs. Frank Posival of Rt. 3.

Milano: Mrs. Lessie Boggan and Clarence Davenport.

Rockdale: Mrs. Alvin Praesel. S. C. Christian and Dorris Samuel Page.

Ben Arnold: Mrs. M. J. Weige.

Elm Ridge: Mrs. C. Titsworth.

Burlington: Mrs. Charles Eichenhorst of Rt. 1.

WINNING TEAM...

It was good, last Friday night, to see the stout-hearted Yoemen get back in the win column. They played sound, aggressive football and deserved the one-sided score against their time-honored foe, the Rosebud Panthers.

Cameron fans who attended the contest in Rosebud were proud of their boys as fans always are when their team wins a victory. It is note-worthy, however, that Cameron fans are always proud of their team, win or lose, realizing that football, after all, is just a game, assuming special importance only because it is a great teacher for the sturdy crop of American boys year after year.

Cameron fans can always expect to see the Yoemen play good football. Sometimes the boys are out-classed, as they were in Bryan three weeks ago, but those Cameron people who saw that game came home feeling very happy about their boys. The HERALD is in favor of a winning football team, as our readers will very quickly find out, but we are equally sold on a team that loses a few but always plays the game clean and hard. The Yoemen play it that way, win or lose.

Cameron-The Friendly City

City of Cameron has as its motto, "Cameron-The Friendly City." Unlike the motto of most cities and towns, the one here is truly representative of Cameron, its citizens and Milam County as a whole.

We have been in the city only half a month. Yet, the businessmen, students in the schools, city and county officials, persons on the streets and everyone in general speak upon meeting strangers in their city. They seemingly are only to glad to go out of their way to assist anyone whether it be to answer a question or to perform a service.

All in all, this brings an ideal atmosphere to our city and promotes travel through our town. Such travel tends to improve business here as well as to promote progress and growth.

A wave of the hand or a friendly "Hello" are great factors in gaining friends for our city. May such continue throughout all times!

Stop Means STOP!

Texas school superintendents, news editors, and other citizens have been requested to give state-wide emphasis and interpretation to the oft-neglected Texas law which requires all vehicles to stop when approaching a school bus loading or unloading children. These state agencies-The Texas Education Agency, the Texas Highway Department, and the Texas Department of Public Safety-joined in making the appeal.

The school buses were involved in 379 accidents in rural areas (outside city limits) during 1955. Three children and two adults were killed in these accidents.

"Even one preventable accident, as we all know, is one too many," said J. W. Edgar, Commissioner of Education. "A study of the various replies which have been made to the question of what drivers of other vehicles should do when they approach a school bus which is loading or unloading children reveals a startling lack of understanding and a great deal of misunderstanding concerning what the statutes require."

The law says, in effect, that upon meeting or overtaking from either direction a school bus which has stopped on the highway for the purpose of receiving or discharging children, the driver shall stop completely immediately before passing, then proceed with due caution at a speed which is prudent and does not exceed ten miles per hour. The law does not apply within city limits.

Vehicles are not required to stop on highways with separate rodways when the bus is on a different roadway **from that of a passing vehicle. Vehicles are not required to stop if the school bus is stopped in a loading** zone which is part of or adjacent to a controlled-access **highway and where pedestrians are not permitted to cross the roadway.**

Edgar said motorists can identify a school bus easily because "SCHOOL BUS" appears in large letters across the front and rear of each bus. "All public school buses are painted in a uniform yellow color and trimmed in black," he pointed out. "School buses are equipped with flasher lights front and rear and usually mounted high on the bus. Flashers are used only when the bus is in the process of stopping or is stopped to receive or discharge children."

In conjunction with educational programs for drivers of all types vehicles, the State Department of Education is preparing a bus drivers' handbook for distribution to 8,000 school bus drivers in Texas. The manual will include pertinent safety regulations affecting school bus drivers.

Edgar said information about the law would continue to be distributed in all parts of Texas "until every citizen has had an opportunity to understand the importance of this law." He suggested that superintendents might want to enlist the help of parents, students, and all Texas drivers.

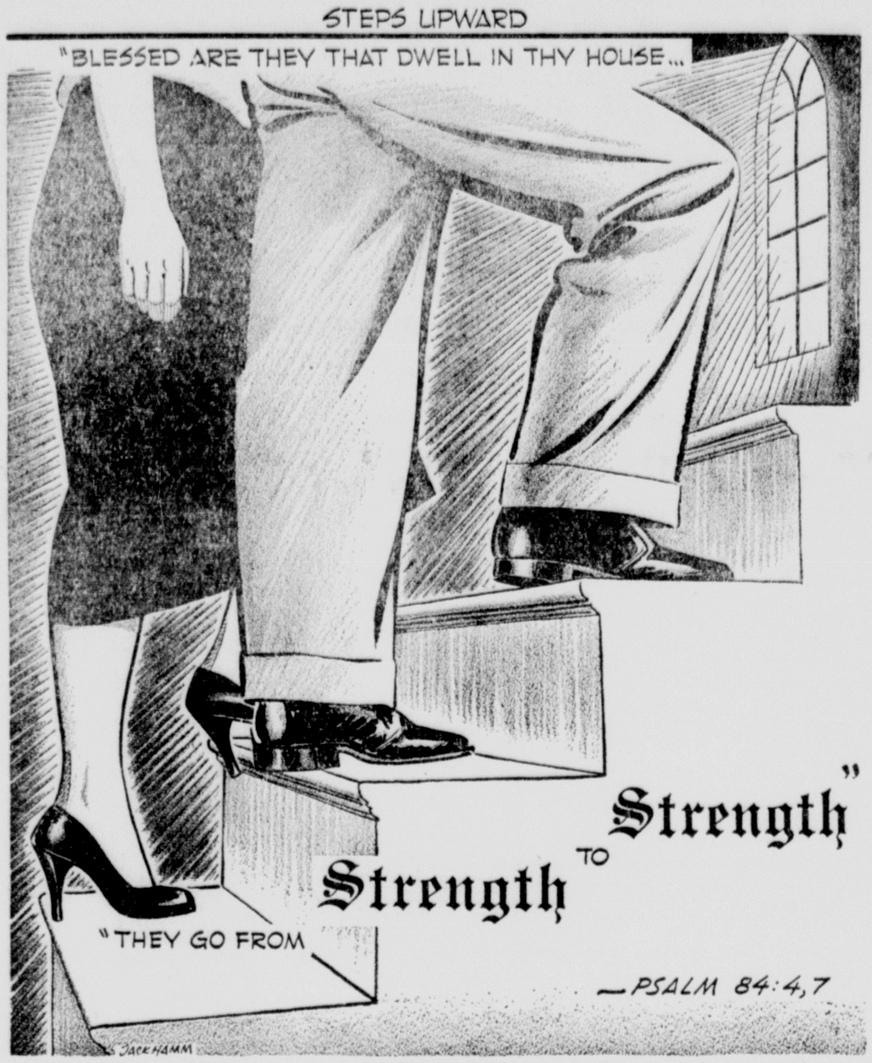
STEPS UPWARD

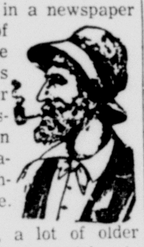


LITTLE RIVER PHILOSOPHER GIVES ADVICE TO CITY PEOPLE PLANNING ON RETIRING TO A FARM IN EASE

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River discusses one of his favorite subjects, retirement, this week.

Dear editar:

With the 4-day week being promised and the retirement age being lowered and social security being increased, oratorically anyway, naturally the problem of leisure is a big issue for the minds of the country to grapple with, and I was especially interested in an article I found in a newspaper which blew out of a car as a couple of teenagers rounded a corner by my farm yesterday afternoon throwing up gravel like a ditch-digging machine.



According to it, a lot of older people are considering retiring to a farm to take things easy, but some of them after they've tried it are finding a farm wasn't what they expected.

One man, who invested his life's savings in a farm and settled down to live on his social security check, found it was costing him more to live in the country than it did in town. The well was always running dry or caving in or the pump burned out, his milk cow was eating more than the price his milk would cost him at a super-market, not counting the fact he had to milk her twice a day, his chickens layed fine for a while then coasted and he figured his investment in a hen house, chickens, and feed would more than pay for all the eggs he could eat for the rest of his life. Etc.

Well, I'll tell you. Any city man who is figuring on retiring to a farm wants to think it over. It's true you can get by on a farm in some cases without working much but it takes years of practice. You take the average city man and retire him to a farm and he'll find himself confused before he starts. When he gets there, he figures for example it'll be pretty nice not to get a water bill on the first of the month, but one of the facts of life is that a lot of people in town can chip in through taxes and put in a community water system a lot cheaper per man than one man can put in one water system for himself in the country. Turning on a hydrant and getting water in the country involves a lot more than turning on a hydrant in town.

Actually, the only way to retire in the country is to do it gradually. You've got to start way back, and work up on it gradually, so when the time comes to retire you can't hardly tell the difference from what you've been doing all the time. That's the system I'm using.

Yours faithfully,
J. A.

Merchants Vote November 22 Closing Date

Cameron merchants have noted in a Chamber of Commerce poll to declare Nov. 22, the fourth Thursday in November as the day Cameron will celebrate Thanksgiving Day.

Today's Text—If any man will come after me, let him deny himself, and take up his cross daily, and follow me.—**Luke 9:23.**

Gracious Father, give us each a greater sense of responsibility to thee. Help us to discover thy will for us, and to do it with all the fire of our being. In Jesus' blessed name.—Amen.

William Howard Taft was the first U. S. president to receive a salary of $75,000 a year.

Polo was developed in India.

DAILY (Except Sunday)

KVET Austin
11:55 a.m.

(Pol. Adv. Paid for by W. Lee O'Daniel)

Traffic Improving, Dolan Says

Six months of operation by the Cameron Police Department is showing progressive action within the city. Changing from the city marshall policing methods in mid-April of this year, the department has added some evpense to operation of the city government. However, considering persons saved from injury and death in traffic mishaps pius property damage stopped for Cameron citizens by the department, the cost to city taxpayers has been small indeed.

Action by Chief Willie Dolan and his patrolmen in only the traffic department is herewith indicated by correspondence to and from the department.

Speeding Trucks

Following complaints from a number of Cameron citizens about trucks speeding through the ctiy, notified by mail a Houston trucking line after he had given a ticketrs would be given if and when a speeding at approximately 50 miles per hour.

His letter to the company explained speeding within the city would not be tolerated. That tickers would be given if and when a truck for any line violated Cameron speed laws. He further added his men and himself would be more than glad to be of service to truckers whenever such was requested so long as such services remained with the city statutes.

A reply from the company concerned was received by return mail. In part it read, "Thank you very much for your letter dated September 21st, advising us of our drivers not respecting speed laws in your city.

"It is nice of you to give us this information, and we do appreciate people handling the matter as you have.

We have this date notified all drivers to respect and honor your speed laws, any driver that fails to comply with this request will be discharged from our services.

"Again we thank you very much, and if at any time we can be of asssitance to you please feel free to call us."

Chief Dolan reports this action by his department is gradually reducing the number of speeding trucks and at the same time winning more and greater respect for both the department and the city on the part of truckers passing through the city.

School Pleased

Hours during which children are going to and from Cameron schools now find patrolmen checking against violators of school zone speed limits. This program by the force has already gained recognization and appreciation from school administrators. The following letter was received by Chief Dolan from the school superintendent.

Dear Chief Dolan:

On behalf of the school board and myself we want to express our profound thanks to you and members of your department for the fine services which you are rendering by patrolling streets in the vicinity of the school and by your control of traffic after our home football games. We feel that you have made it much safer on the streets near the buildings and we especially feel that your work after the football games has facilitated the leaving of the fans as well as increasing the safety of cars and pedestrains.

Sincerely yours,

Wiley W. Loughmiller

Superintendent.

Herald Publisher Hears Cameron Plans; Tells Plans of The Cameron Herald

Publisher of the Cameron Herald, Don Scarbrough in attendance at the monthly meeting of the Chamber of Commerce Board of Directors heard Narvie Caperton tell of plans for a Christmas parade in the first week in December, Bill Burns tell of the research he has been about in determining details of a Walled-Lake Door Day in which employees will be paid off in $2 bills so as to demonstrate the purchasing power of that Cameron industry's personnel.

$223 was expended this year on a Cameron booth at the Heart O' Texas Fair. "It was the best booth in the hall" said Lester Williams.

E. A. Perrin reported on his Community Chest effort which consisted of one effort at organization at which only eight people put in an appearance. "If the Community Chest is worthy then the policies should be set by a more representative group than eight" he said. Bill Burns later assured the board members that his findings had paralleled those of Perrin and that while the outlook is disheartening "We cannot let the Chest down." Nothing further on the subject, however, was suggested.

Don Scarbrough had been out meeting the merchants during the morning and reported that he had been received with enthusiasm and courtesy. Many suggestions, Scarbrough said, were made on how to improve the newspaper.

"We intend to first, expand the services and then expand the newspaper. We hope to departmentalize with a woman's section and sports section for instance and to run many pictures. We expect to make each issue better than the one of the week before," he added.

Of course, one of the things many of the merchants wanted was a two inch rain. This we couldn't promise them and if we were able to do so we could make much more as rain-makers for Dallas and Fort Worth then we can in the newspaper business, Scarbrough averred.

Visitor for the day was John Cardwell, a partner of the Herald Publisher, and a teacher of Journalism at Southwestern University in Georgetown.

Yoemen Clicking; Down Rosebud 27-0

Hard-hitting wide awake and rapid Cameron Yoemen hit the Rosebud Panthers last Friday night in the Rosebud Stadium and jarred them to a 27-0 shutout. Panthers met the onslaught with a hardfighting defense and a fairly accurate air attack on the offense but to no avail. They were just up against a better team of heavier and more versatile gridsters.

First quarter of the tilt ended in a tieless score. During that first period, the Panthers attack through the air began to look as the Rosebud team would offer a gallant opposition. They did but again it was a matter of too little, too late.

The second quarter of the game opened with its being Rosebud's ball on the Cameron 44-yard line. Panther backs immediately carried the pigskin forward to the Cameron 27-yard line, where Wayne Newby dropped back to pass and was downed on the Cameron 39-yard line.

That is when the Cameron Yoemen really began to click. Taking over the possession of the ball at that point, Arthur Marek advanced six yards through the line. Guy Dillon continued the advance on the next play for good gain. Marek then crossed the midfield stripe to the Rosebud 47-yard line where Dillon got loose on a 47-yard dash through a host of Panthers for Cameron's first touchdown. However, the conversion attempt was no good.

Cameron's Arthur Marek kicked off again and the next six minutes of play went with an exchange of possession of the ball - Panthers kicking on the fourth down and Yoemen continuing to try for the needed gain for a first down. With the seconds ticking off, Yoemen held the ball on the Panthers' 46-yard line, Bobby Elliott dropped back for a long pass to Kenneth Bowley but it was no good as halftime arrived with the score still Cameron 6; Rosebud 0.

Second half found the Rosebud Panthers winded due to an even smaller reserve than Cameron's 22-suited gridsters. However, Coach Jackson's Yoemen were alert and roaring for action even more than they had been in the initial half.

Taking the Cameron's kick, the Panthers started a drive via both ground and air attacks to equalize the score. Yoemen gridmen would have no part of the attack and stopped Rosebud carriers with tackles heard easily from any point in the stands and slapping Wayne Newby's passes to the ground.

After a few exchanges of the ball, it was Cameron's on their own 44-yard line. Right Halfback Johnny Davis upped it to the midfield stripe. Marek then carried to the Rosebud 45 and on the following play almost got away to the 28-yard line where Rosebud's Newby stopped him but was slightly injured on the play. A following fake handoff from Bobby Elliott to Dillon with the real thing going to Marek advanced the ball to the 21-yard line. From that point, Dillon took a handoff from the quarterback and went around his right end standing up after shrugging off seven would-be Panther tacklers for the second Yoe touchdown. This time the conversion attempt was successful with Davis taking a handoff and running it over. The third quarter ended with the play.

Final period play was almost entirely at the will of the Yoemen. Rosebud backs take the kickoff and returns same to their 30. Newby tries a pass which is intercepted by John Solomon who returns it to the 26 in Panther territory. Panthers tighten up and hold at that point with the ball going over on downs.

Rosebud with a series of plays dominated by Willaim Schneider advances the ball to the 46-yard line. From this point, Newby tries another pass which is intercepted by Davis, who returns it to the 37-yard stripe. He fumbled on the tackle but Dillon was on hand to recover. Rinn in a pair of successive plays advances the ball to the five and a penalty against the 2-yard stripe. Rinn runs the talley over after taking a handoff from Elliott. Dillon ran the extra point across to set the score at Cameron 20; Rosebud 0 with only five minutes and 49 seconds left in the ballgame.

Cameron's kickoff was taken on the 24 by Joe Henson, who returned it to the 43. Hit by powerful Yoe tacklers, Henson was temporarily injured and benched for the time. Another play gained to the 46 for the Panthers at which time Panther QB David McAtee was rushed by an onslaught of Yoe linesmen, who threw him back to the 32.

Salazar punted with the Yoemen taking possession on their own 30. A penalty set them back five yards but was regained with added yardage picked up by Rinn. Dillon then picked up to the 40 where his fumble was covered by Rosebud's Schneider.

Schneider tried the first carry and gained the line of scrimmage where he was hit so hard that he had to leave the game. A pass from John Allen to Leslie Sitz was good for a gain to the 32. Two plays later a long Panther pass aimed for a Rosebud score was intercepted on the 30-yard line by Paul Hoelscher, who carried it 64 yards down the sideline where he was overtaken by a Panther secondary and stopped on the Rosebud 6-yard line. Hoelscher was injured at that point and had to be taken from the field. (Saturday morning he reported to Coach Jackson that he was hale and handy again.) Davis went over for the final score for the Yoemen. Only completed pass for the night was made for the extra point as Elliott tossed to Ray Green.

With the final score by the Yoemen leaving only 28 seconds to play, the Cameron men held and the score ended with them leading 27-0.

Outstanding defensive action for Cameron was headed by George Zarosky, Raymond Tepera. Johnny Rubac, Hoelscher, Kenneth Bowley, Green and Dillon. Every man seeing action in the game without exception gave credit to their teammates on both offensive and defensive quarters. Those playing but not named above include Billie Kostroun, Allen Dodson, Jesse Kirk, Lee Hollas, Sidney Koranek, Ferrell Angell and Toddy Lawrence.

Reserves at the game but not participating were Jimmy Smalley, Archie Mraz and Hubert Marek.

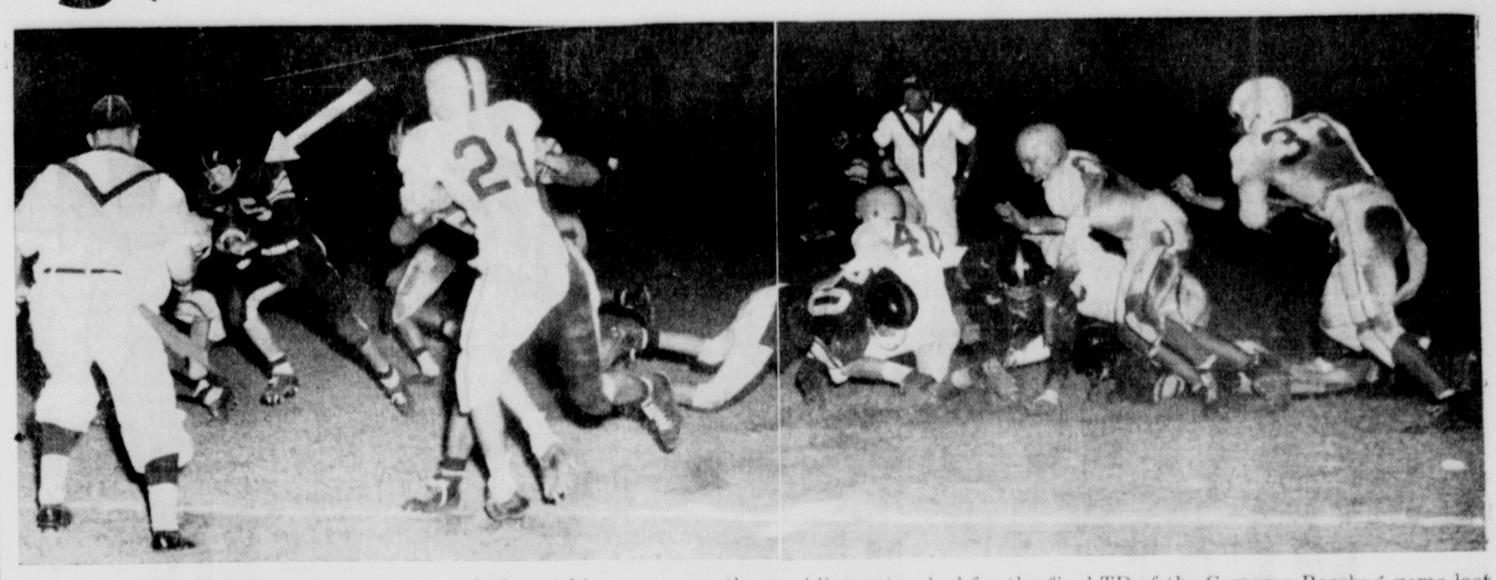
3 for 60	Penalties	4 for 40



Johnny Davis, Yoe back No. 35 with arrow pointing at him, goes over the goal line untouched for the final TD of the Cameron-Rosebud game last Friday night. Panther No. 21, Wayne Newby, is blocked out of action while Yoeman Guard Lee Hollas carries Panther John Tarver (40) out of action and other Yoe linesmen pile up remaining potential tacklers in the right portion of the picture. The above play was followed by a conversion pass from Elliott to Ray Green to wind up the action with a 27-0 score.

Yoemen "B" Squad Rips Rosebud Through Aerial, Ground Attack

Cameron's "B" Yoemen were blazing last Thursday night as the invading Rosebud "B" Panthers were turned back in Yoe Stadium by a score of 31-0. Panthers threw a variety of tricks at the Yoemen on the offensive side of the line but were constantly repelled by Cameron gridmen, who refused to recognize any trickery.

Yoemen opened their scoring in the opening minutes of the game with a 70-yard sustained drive. Making the initial touchdown was Benny Morrow. However, Johnny Josey failed to make the conversion attempt good.

Throughout the game Josey played wonderful defense against Rosebud's aerial attack. Twice he intercepted passes from the arm of the Panther passer and again slapped a pass to the ground.

Three tallies were picked up by the Yoemen in the first half of the game with two more being accounted for in the last. Josey made all conversion tries but with the exception of the one following the second touchdown, was unsuccessful throughout the game.

Cameron experimented with seldom used tactics after they had the game on ice. They even ventured forth with offensive action consisting of 10 men on the line and one in the backfield for a series of three plays. This strategy regained the fans interest and advanced the Yoemen's position 34 yards down the field with successive gains of 20, eight and six yards.

Charles Hollas performed an accurate tossing attack to his receivers on the hometown team. These receivers consisted of Josey, Morrow and James Fontaine. On the ground it was Bob Brantly leading in the yards gained with Josey again furnishing able assistance.

Defense was supplied by a forward wall which held continuously whether it was made up of regulars entirely or whether there was a generous sprinkling of reserve strength. This defense was especially brought to light when midway in the second half, a number of Yoe linemen consolidated in the blocking of a Rosebud punt before it traveled from the punter's toe to the line of scrimmage.

Rosebud Panthers were against an overwhelming superior team in both weight and speed. However, they fought desperately through the four quarters. Cameron boys realized they had won every inch of terrain only by displaying every effort and by keeping heart through every one of the 48 minutes of actual playing time.

Rosebud players who showed exceptional fortitude in the game were Eddie Swanzy, Jackie McCollum and Edward Costelleja.

GO TO CHURCH SUNDAY

Marak PTA Annual School Carnival Scheduled Oct. 25

The Marak P.T.A. is sponsoring its annual school carnival on Thursday, October 25, beginning at 6 p.m.

Sandwiches, kolaches, cakes, pies and drinks will be served.

Plenty of entertainment for everyone. All are invited.

Cameron Meets Caldwell Friday In Homecoming Game

Homecoming for the Yoe High School this weekend finds the Yoemen meeting Caldwell on the home gridiron for the last game before district play gets underway. During the last 10 games between the two schools, Cameron won the first eight in the series with the 1954 and 1955 games being captured by Caldwell by the scores of 13-9 and 19 -6 respectively.

Last year on the field in Caldwell, the game was played in a rainstorm (probably the last precipitation of note received there) with Caldwell passing and running for their victory.

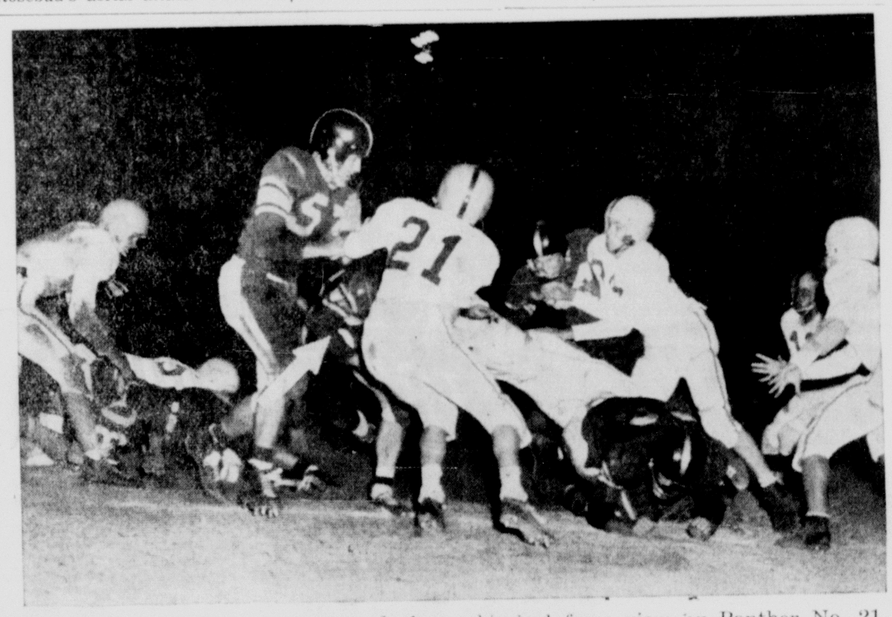
Caldwell this year is reported to have a T-ball club with offensive action being largely through the air. Their starting lineup will average 152 pounds compared to Cameron's 162-pound starters in the Rosebud contest.

Their probable starters and their position, numbers and weight follow. Glenn Seibert, LE, 31, 145; Buddy Addison, LT, 34, 184; Bob Verwold, LG, 19, 144; J. W. Vychopen, C, 43, 180; Lloyd Lesikar, RG, 35, 138; Lee Alford, RT, 45, 174, Vernon Brinkman, RE, 14, 140; Jack Orsak, QB, 11, 128, J. H. Carroll, LH, 18 or 20, 138; Jody Todaro, RH, 17, 142, and Larry Lytle, FB, 32, 160.

Coach Jackson has some hopes that Yoe Tackle Monroe Bayer may be able to see some action Friday night. A probable starting lineup was unavailable earlier this week from Coach Jackson.

J. E. Richardson of Rockdale was a business visitor here recently.

E. H. Paschel of Rosebud, Route 4, was a recent visitor in Cameron.



Warren Rinn, marked by arrow and almost blocked from view by Panther No. 21, Wayne Newby, crosses the goal line for Cameron's third TD of the night last Friday in Rosebud Stadium. No. 80 Lee Hollas at left blocks out two would-be tacklers as No. 57 John Solomon runs interference. Jimmy Smalley, No. 56, is elbowed to ground as a string of Panthers begin a pile up over his crouched body.

The Washington Monument is 555 feet high.

Wong, used by at least 150,000,000 Chinese, is the world's most common family name.

Saccharin is derived from coal-tar.

One quintillion is written 1,000,000,000,000,000,000.

Texans Find Ike Stands For Same Things We Do

A fellow was in our town the other day selling men's suits. He was from St. Louis, and he said he was a manufacturer's representative. Grandpa would have called him a dry goods drummer, and Papa would have referred to him as a traveling salesman. This shows you how things change with time. But actually that fellow from St. Louis was doing just about what the earlier visitors did—trying to sell suits.

You might say that he stayed in the same place but the names went off and left him. Reminded me some of the political situation in Texas.

I was reading a letter in the daily newspaper last week, from a man who said he was going to vote for Eisenhower. "I am a Democrat," he wrote to the editor of the paper, "but I feel like the party has run off and left me."

Come to think of it, a lot of conservative-type Texas Democrats are in that shape today. They haven't changed their views much on such things as local control, government spending, bureaucratic red tape, and freedom of the individual; they still travel down the same road they did 20 or 30 years ago, even if they do it at 70 miles an hour instead of 25.

They grew up believing that a man could live down nearly anything except voting for a Republican. They always voted 'er straight, until a good many of them jumped over the traces in '52 and went for Ike.

"I can't figure out what's happened," one of them told me. "Seems like Eisenhower talks like a Democrat and Stevenson talks like a college professor."

The other day this same fellow said: "I think I've got it figured out. Ike stands for the things us Texas Democrats have always stood for. Adlai is too thick with Walter Reuther and that crowd to suit me. I'm going for Ike again."

That's the way with most folks in our town. They decided to give Ike a try at it in '52, and they like the way he has gone about the job. There are some things they wished he'd done a little different, but by and large they think he has made us a fine President. At least all the hometown boys are back from Korea, and as far as we can tell the government is being run honestly.

Somebody asked that Missouri suit salesman how Mr. Truman was getting along, and he said he didn't know. "He isn't in the clothing business any more," he explained. "In fact, as far as I can tell, he is clear out of all kinds of business."

Yours Truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)

Oil Drilling Activity, Production Increases In Cameron Area

Efforts, completed the first week of October to bring in a shallow oil well on the H. P. Culpepper Farm just beyond the intersection of the Rockdale-Milano Highways, were abandoned. Tom Betchen drilled the well.

Elsewhere in Milam County productive wells were being drilled. There have been five producing wells brought in within the city limits of Rockdale during the past month. All of these are reportedly in the residential section for colored people in that city.

Production and drilling activity in Milam County within the last two years has been in progress to the extent that Cameron business men engaged in these enterprises report the original Minerva Field has now been divided into two parts. Old wells still in production around Minerva proper are classified as the Old Minerva Field. Drilling currently underway in and around Rockdale is within the New Minerva Field.

Wells in the county fields which have produced or are currently producing oil are all within the "shallow well" classification. A check of drilling activities in the past reveal that at least two attempts were made only last year to reach a productive sand at greater depths. Both these deep wells were unsuccessful in discovery of a "deep well" field in the county.

Oil being produced in Milam County now is almost entirely labeled for delivery to refineries at Houston. Practically the entire production is being transported to those refineries by tank truck lines.

Seismic crews with the Atomic Energy Commission have also reportedly shot a number of test holes on a rather wide area of the county. These holes are drilled and an explosive charge fired in the depths. Instruments are placed in strategic positions so photographic images of radio waves bouncing off component parts of the earth are recorded. Specialized interpreters with the crew are then able to read these charts and determine which of nature's elements are within the earth at the point where the readings are made.

However, questioning of owners of the land in the county on which charges were fired and oil field operators reveal that for this area no information was released by the commission as to whether or not uranium was present.

Fire Drill In School System Is Declared One Of Most Successful

A students life may have been saved in the Cameron school system on Thursday, October 11 from a fire that has not yet happened.

Operating one of the most orderly fire drills in their twelve years experience, on Thursday, Fire Marshal John Eanes and Assistant Fire Chief Dean White and Bill Richter felt that mere words were not expressive enough to convey their amazement and complete satisfaction with the faculty and student body in the evacuation of all three buildings, in succession, of the white schools and of the old O. J. Thomas building.

Each class has a fire chief, either elected or appointed, and when all is clear, with the sounding of two bells or a double clang of the gong each of the chiefs has appeared before the principal of the building with a little card showing his class is all clear. Like the captain of the ship, the chief is the last to leave the "burning" building.

Best evacuation time was scored by Yoe High by clearing the three story structure in one minute, two seconds. When Eanes reported this time he said "Hold on to your hat." The time was declared to be exceptional.

Ada Henderson students effectually cleared their two story structure in 1:12 while the little ones in Ben Milam marched out, in orderly fashion in 1:04. At O. J. the clearance time was 1:25.

None of the students, as is often the case, acted as though they thought the drill was silly or without basis for speed said Eanes on his final thought was to underscore the feelings of the inspectors for "A job well done."

E. J. Davis Heads Salvation Army Local Committee

The local Service Unit of the Salvation Army is one of the simplest and most democratice committees in Cameron said L. J. France, organizer of local units, when he was in town Friday.

The local committee is composed of citizens chosen solely on the basis of their interest in the community. There is no "red tape" and only a minimum of investigation is required in cases of need. The local fund is available at a moment's notice, France said, and the committee has full liberty of distribution according to its own judgement and without restriction.

The Cameron committee is composed of Rev. E. J. Davis as chairman and W. H. Bill McIntosh as treasurer; members are Rev. John Solomon, Norma M. Wilson, Mrs. W. N. Burns, Wiley W. Loughmiller and F. L. Gregory.

Through the local Committee, the services of the National Salvation Army are brought to our community when needed, as well as advice from experienced Salvation Army workers who visit the local Committee from time to time, to discuss with them community problems, and to offer assistance in solving them.

Assistance in time of disaster can be brought to Cameron when needed through the local Service Unit.

Motto of the Salvation Army is "To meet the need, at the point of need, and at the time of need."

Later two people from each of the towns and communities in north Milam County will be asked to serve as committeemen from their respective areas. The organization then will be representative of the entire area, the organizer said.

An organization was recently perfected in Rockdale with a fund raising campaign which netted $1511.

The Salvation Army, France said, fits in between the other organizations.

THINKING AHEAD

Geiger counters have been standard equipment for crews excavating for a natural gas pipeline from Colorado - New Mexico fields to the Pacific Northwest. Officials of the pipeline firm report many uranium showings but none which give evidence of commercial possibilities.

That Big Diamond

Mrs. Arthur L. Parker, Dallas housewife who found the 15.36 carat diamond last March in the Arkansas Crater of Diamonds, shows the now cut-and-polished gem to Myron Everts, Dallas jeweler. Visitors to the State Fair are invited to view the extraordinary stone at Everts Jewelers in Dallas. Known as the "Star of Arkansas," the diamond took three and a half months for cutting and polishing, is one and one-quarter inches long, and is variously estimated to be worth between $25,000.00 and $100,000.00.

AFTER AGES

Comal Springs Cease Flowing

Comal Springs at New Braunfels has stopped flowing.

Flowing since the memory of living men these famous springs have flowed an average of 304 second feet. Since 1950, however, this flow has steadily decreased until in June they stopped flowing.

New Braunfels depended on the springs for some of its water, thus they had to drill more wells. A 1045 foot well pumps 5,000 gallons per minute. The natural recharge will never catch up to demands on the basin and the Comal Springs will never flow again unless the South Texas Chamber of Commerce succeeds in its plans.

The Bureau of Reclamation finds present and future municipal and industrial water needs of Texas is 1.6 million acre feet of water per year. But by 1986 that need will be close to 5 million acre feet, which during that time four million acre feet of ground water production will be lost, and will have to be replaced by surface supplies.

New Braunfels has become aware of the gravity of the situation as has San Antonio and most of the cities and towns of Atascosa, Bandera, Bexar, Blanco, Comal, Edwards, Gillespi, Guadalupe, Kendall, Kerr, Kinney, Hays Medina, Real and Uvalde counties. These counties with the backing of the South Texas Chamber are seeking to join together in an underground water district with the prime purpose of recharging the Edwards Limestone Basin.

If they succeed, water wells can continue to serve the needs of that area, and they will have pointed the way for many areas of this and other states.

Scott, Nealy And Sanders Leave Cameron For Induction In Army

Young men reporting for registration at the Draft Board office in Cameron during September are William Marshall Treadaway, of Cameron; Mike DeLaRosa Benabidez, Calvert; David O'Neal Muston, Rockdale; Walter C. Mayes, Rogers; John Terry Moore, Gause; Bryan Lee Graham, Cameron; Billy Glen Seaton, Cameron; Wilford Alfred VonGonten, Rockdale; Leroy Schneider, Thorndale; Lawrence Lucian Tiller, Jr.; Cameron; Doyle Ray Armstrong, Cameron; John Charles Glener, Ad Hall; Bohuslav Billy Slavik, Cameron; Howard Lee Pierce, Holland; James Charles Smith, Rockdale; Joe Louis Wilson, Rockdale.

Eleven men left the Milam Hotel in Cameron for the examining station in Dallas on October 10. They are Clarence Oges, Leroy O. Olbrich, Pedro Jaramillo, Brooks Fikes, Alvin Wilson, Glynn B. Raney, Lester A. Chollett, John E. Brown, Raymond M. Chudej, Paul H. Heintze, Curtis Rhodes, Jr.,

Three others left for the induction station the same day with Paul H. Heintze, leader of the preinduction physical examination group, and Luther C. Sanders, the leader of the induction group. Those leaving for induction were Thomas D. Scott, Ell C. Nealy and Luther C. Sanders.

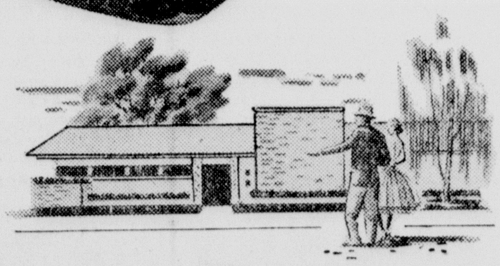
November induction call for Milam County is for four men on November 28. Orders for this call have not yet been issued.

Ernest Glass of Temple is spending several days in the home of his son, Lester Glass, and family.

Mrs. Joe Bass is improving at her home after suffering a broken leg several weeks ago.

"...just remember, I want my kitchen to be ALL-ELECTRIC!..."

Somewhere in the blueprint stage . . . this is a statement that's being made more and more often. There's wisdom behind it, too. Building a new home without an electric kitchen is somewhat like building a 1940 model automobile! So, if you're planning a new home, build it to modern standards . . . be sure your architect's specifications provide for an all-electric kitchen including the latest in electrical cooking, dishwashing and other conveniences . . . and really get your money's worth of modern living.



Reddy Kilowatt says: The heart of the home is the kitchen. Make it modern . . . insist on electric appliances . . . *live better, electrically!*

LIVE BETTER ELECTRICALLY

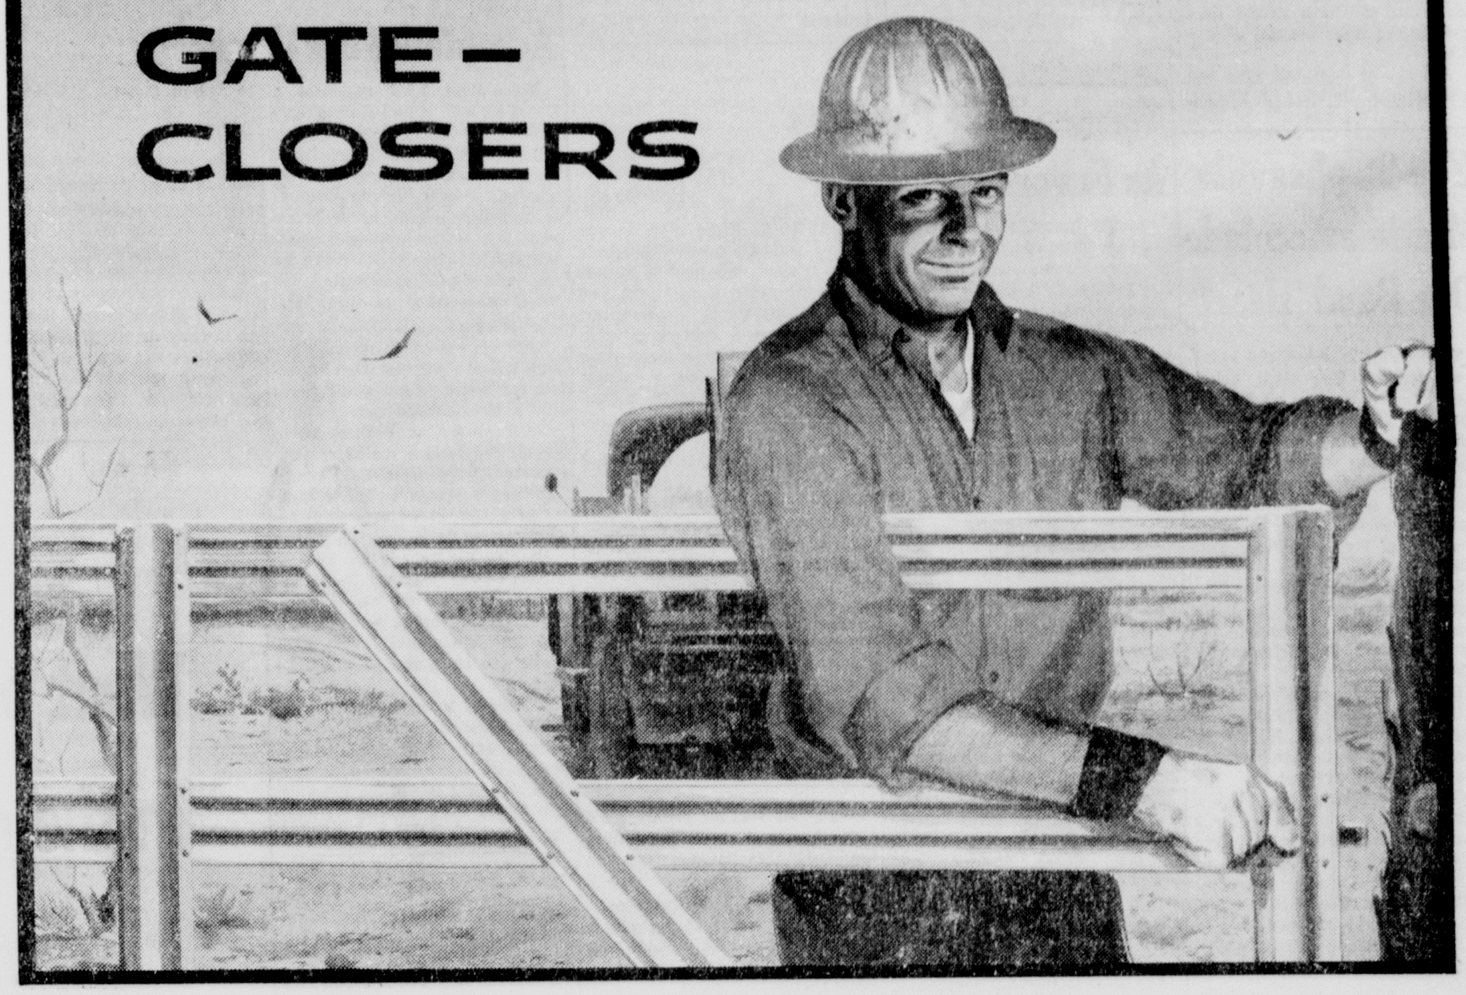
GATE-CLOSERS



Dear Friends

A farmer friend of ours paid Humble's field men a fine compliment recently.

He said, "There's one thing about you Humble people, you close gates."

Well, of course we do.

All of us at Humble want the good will of the folks with whom we do business. And among those folks, the farmers and ranchers who lease their land to us for exploration and production are right at the top of the list.

In fact, you farmers are partners with us in the development of a vital natural resource. If our efforts are successful then everyone involved benefits.

Keeping the gates closed and the fences mended— things like that are the least we can do.

We know. A lot of us grew up on farms and ranches.

BOWLING NEWS

Cameron Keglers to Meet Bowlers From Waco Sunday

Grand Prize boys finally hit the pocket Tuesday night and came roaring back and shut out the strong Pearl Team. Grand Prize who hadn't won a game this season really did a magnificent job by handcuffing the strong Pearl boys, who just couldn't seem to get started even though some good hits were made, but the pins remained standing.

Alcoa was red hot again this week and beat the 1st place, First National Bank 3-1, while the K of C fellows from Temple shut out KMIL. Dr. Pepper, a good competitive team, split with the strong Falstaff team 2-2. However the Falstaff boys did a fine job of bowling the last game, knocking over 854 pins for the tie, with J. Humplik leading the pack with his 195.

W .Johnson and C. Burke bowled four straight strikes, and turkeys were credited to H. Schattle, Kleypas, Boyce, Humplik, Johnson and Burke. Good ball control was observed with many unusual splits picked up, R. St. Clair picked up the 6-7 and 5-7-9, H. Schattie 2-7, B. Stermer 5-8-10,, Burke and Wertz 3-10, H. Merver 5-8-10, R. Napp -510 and R. Richter the 2-7.

High game awards go to J. Humplik 195, Dr. Boyce 187, and E. Orsag 184, with Ernest Orsag getting the most pin fall with his 496 series.

A team of Cameron men consisting of J. Humplik, J. McGoldrick, E. Orsag all of Falstaff, Dr. Boyce, 1st National Bank, and Leo Hollas of Dr. Pepper traveled to Waco Sunday and tangled with the Waco boys, but were beat 3 to 1. However the Cameron men did a wonderful job of bowling, knocking over 903 pins in one series, which wasn't enough and lost the total series by 4 pins. A return match is scheduled for next Sunday at the Cameron Bowling Alleys, and the Cameron men promise a victory.

Team Standing	W	L
Falstaff	8	3
1st Nat. Bank	8	3
Dr. Pepper	7	4
K of C Temple	6	5
Grand Prize	4	7
Alcoa	4	7
Pearl	4	7
KMIL	3	8

15 Rattle Diamond Back Killed At Walkers Creek

A 15 rattler Diamond Back snake 4 feet long and girth of six inches was killed in the Walkers Creek Community by Bennie Reynolds, Alvin Gibson and Milton Harrison Sunday morning.

The boys were "just roaming around" and ran up on the snake reported Mrs. Waterson and it was the biggest snake I have ever seen, and I have seen a lot of them in my lifetime, she said.

National Hall Bowling Leader

Audrey Boyce won first place in the individual high game for the week ending of play by the Cameron Woman's Bowling League. Her score for the game was 162. Tying for second place in this catagory were Ann Laake and Barbara Schattle, both with scores of 159. Third place was captured by Ida Michalka with a 150.

Individual high series was won by Audrey Boyce also and her score was 463. Second place was Barbara Schattle with 452 and Marie Ann Laake with 436.

Awards for the night included a shampoo and set by Audrey Boyce for getting high series. The award was given by Audrey's Beauty Salon, which she owns and operates. Veronica Michalka was awarded the prize for bowling the most pins over her average - a car wash donated by E. H. McAtee's Service Station.

League standings after the fourth week of bowling follow.

	W	L
National Hall	12	4
New Cameron Drug	10	6

Woodum Auto Sales	9	7
Vaculin Serv. Sta.	5½	10½
Coca-Cola	4½	11½
Falstaff	3	13

Yoe-Stephenville Midtime Accolade Due Band 'Heart

The contest to select the sweetheart for the Yoe High School band came to a close on Monday afternoon, October 8, at 5 o'clock.

After tabulation, it was determined that the winner, and new band sweetheart, is Miss Catherine Mikula, a freshman student in Yoe High School. Catherine is the daughter of Mr. and Mrs. Pete Mikula.

Second place was won by Miss Dolores Zalesky, also a freshman student. Third place was won by Miss Glenda Sue Grisham, another freshman.

The new band sweetheart won with votes totalling $126.00. The total amount realized from the contest was $295.13; this goes into the school activity fund.

Catherine Mikula has already assumed her duties as band sweetheart. She will be presented officially during the half-time activities at the Cameron-Stephenville game at Yoe High stadium on Friday night, October 26.

Another addition to the band is the new mascot, little Kermit (Rock) Smith, son of Dr. and Mrs. E. O. Smith. Rock is now active with the band, and will be formally presented to the public at the Stephenville game.

Yoemen Take Panthers As Favor To Bayer

Monroe Bayer still recovering from an illness was unable to accompany the Yoemen to Rosebud last Friday night. Before the team left town, Monroe went by the gym and asked Coach Leo Jackson to get the Yoemen to win the game for him. To this without exception, the Cameron players agreed.

We don't believe the 201-pound tackle can be the least disappointed in the manner with which his teammates fulfilled that promise. The game was won by a wide margin of 27-0. This margin being the widest of any game in the Rosebud-Cameron series for the past decade.

And so the master retains that honor. Coach Jackson earlier in his career here at Yoe High coached Joe Hawkins, who this past week sat in a gloom on the sideline as he directed Panther action against the Yoemen. His men were up against an inspired powerhouse, whose weight and drive had the game sewed up before the opening whistle sounded. Coach Hawkins congratulated Leo following the game but at the same time gave him warning the Panthers would be after the Yoemen in '57.

District Brackets

Did you realize the 1956-57 enrollment now at Yoe High School lacks five students to be in the Class AAA football bracket? However, these brackets are set up every other year with the 1955-56 enrollment here in Cameron placing our team in the triple A bracket by only four students. Now the enrollment is down but Coach Jackson says it appears we will go over the needed number again in 1957-58 to retain our AAA position.

"So what," you may ask?

The answer is that our boys in AAA bracket must seek district honors against other schools in this area which have a high school enrollment of better than 800 students. From such a number of students, we do not believe such schools can pick a 11-man grid team with more fight and spirit than we have. However, they can run a reserve strength on the field of two or three extra teams which Cameron is unable to muster without using professors, co-eds, cheerleaders and band members.

There is one consolation! Let our Yoemen win a standing in this AAA district and they have performed a hundredfold better than a larger school with an equal record.

Bird Hunters

Cameron bird hunters, I understand, are having extra good luck during the current dove season. Seems if they are any kind of marksman at all, they can get their quota.

To maintain the current good relationships now existing between the hunters and the landowners, we suggest each and every hunter get permission from the landowners he goes forth to shoot.

While doves have been most abundant around watering places in the area, we also understand the quail will be equally abundant when that season opens. Lester Glass declares he has spotted one covey of quail with around 60 birds and another with 30 or 40 birds. Another hunter who reports having seen a goodly quantity of quail is Bob Nelson, who as county attorney has the opportunity to travel the entire county.

One of Cameron's most ardent bird hunters is William Brandenburg of the Cameron Police Department. He has been on a dove shoot a number of times, and it is not unusual for him to get his quota. What we have been wondering though is can he outshoot his wife, who occasionally accompanies him and shoots a 410-gauge single shot.

Incidentally, if any of you other bird hunters have a unique recipe for cooking this game, we will be most glad to pass it on to Mrs. Brandenburg, who we believe will try it for William. (Note: We not once called the Cameron patrolmen, Willie.)

Mrs. Walter Senkel spent last week with her daughter and family, Mr. and Mrs. Curtis Phipps of Austin. Gray, a three year old grandson returned with her and will remain some time while his mother is at the Mayo Clinic with her nine year old son, Doyle, who has a heart condition.

Ford Leading In New Car Acceptance For Cameron

More than 2,000 residents of Cameron and Milam County have called by Hefley-Stedman Motor Co. at 115 N. Houston Street during the past week to see and drive the new 1957 Fords. "In my 33 years as a dealer, I have never before seen the enthusiasm and public acceptance that is being shown for this new Ford," declared H. H. Stedman, operator of the local Ford House.

Sales of the new models are even better than had been expected, he added. Variety of types and models of the newest Ford models are not yet in Cameron to fill all the orders being taken. However, word from the factory indicates it should be but a matter of a few weeks before all orders can be filled.

Leading the field in the eyes of Milam County potential Ford owners seems to be the Fairlane 500 series, Mr. Stedman said. He further pointed out that all the other series are close behind the Fairlane 500.

Locally it is believed the Ford convertibles will sell as good or better than those in previous years. Indications are also that there will be a few of the Thunderbird Sport Cars passing through the Cameron dealer's showrooms to Milam County residents seeking the ultimate heights in power and styling.

Mr. Stedman also urged that vehicle users be reminded of the versatility, durability and low cost operation that can be found in the Ford pick-ups and larger, heavy duty trucks. Every farmer, rancher, sportsman and business man in Milam County is requested to drop by the Hefley-Stedman Motor Co. and examine the capabilities of the 1957 Ford pick-ups and trucks in their own particular needs, he said.

Badgers vs. Jarrell

Buckholts Badgers will entertain the Jarrell Wildcats in a six-man gridiron clash.

Buckholts has won it's two conference games while Jarrell has been defeated by both Sharp and Flatt.

All of the Buckholts squad expect to see action in the game. Three of the Badgers are away on the National FFA Convention. They are James Edward Glaser Stanley Galser and Hal Lester. Game time is 8 o'clock.

☆ News From Sharp ☆

Mr. Herman McCord of Lancaster, Texas, was a recent guest in the home of Mr. and Mrs. B. M.

Conversion of G. I. Insurance Deadline Set At December 31

Veterans separated from active service since September 4, 1956, will NOT have 120 days in which to apply for 5-year term nonconvertible GI insurance; they will have ONLY until December 31, 1956.

A new law ends issuance of this insurance effective January 1, 1957 and thereby establishes December 31, 1956 as the deadline for application, even though less than 120 days have elapsed since separation.

KJZT Kolache Sale At Cameron Theatre

The Marak K.J.Z.T. is sponsoring a Kolache sale on Saturday, October 20, beginning at 11 a.m. in front of the old Cameron Theater.

Mrs. Albert Slovak is secretary of the organization.

W. L. Meier of Temple was in Cameron on business Thursday.

As Run In The San Antonio Light On Monday, September 17, 1956, The Following Explanation of Amendment No. 4 Is Given

A PROPOSED amendment to the state constitution which would strengthen the retirement system for teachers will be on the ballot at the general election in November.

Amendment No. 4 deserves the close attention of every voter because we all support the public school system as taxpayers and most of us rely on public schools for our children's education.

It has been apparent for some years that the supply of well-qualified teachers is not keeping pace with the large increase in students.

Teaching is a profession which appeals strongly to thousands of men and women, who are willing to accept less money than they might expect to receive in business life, but who are as eager as anyone else to be self-supporting in their old age.

A better pension plan, we believe, would be a strong inducement to young persons with a yen for teaching and would hold in service many of the teachers who are now leaving the system at the rate of 7000 a year.

The enabling legislation, S. B. 290, has been passed and would become effective on passage of the amendment.

Teachers would be allowed to deposit up to 6 per cent of their salaries, instead of 5 per cent, and the maximum annual deposit would jump from $180 to $504 per person.

No teacher would be eligible for retirement with less than 10 years' service. The minimum age would be 55, except for those with 30 years' service. Recipients would be barred from any other state pension and from direct state aid.

What is this plan going to cost the taxpayers? We can tell you that, too, because the state department of education made a complete research study.

Teachers would increase their deposits by $4,500,000 a year and the state would match this amount. This sum is less than 1 per cent of the total operating costs for Texas Public schools.

The teacher retirement program is financed from the Omnibus fund. That fund is swelling by much more than $4,500,000 a year because of the growth of Texas. Therefore no additional tax bill would be needed.

It would be absurd to pretend that the $4,500,000, by some magic of bookkeeping, would not have to come out of the taxpayers' pockets. But the plan comes as close as you can hope to get to "painless extraction."

The real question is: Can we afford to let our educational system deteriorate? There is only one answer to that.

What put the magic in the new kind of FORD?

Here's what put the magic in the new kind of FORD!

It started with the "Inner Ford." When Ford planned this baby, they thought in terms of a car through-and-through new.

The wheels got smaller. This Ford is so new that even the wheels have changed. Now smaller and broader, they help you take off quickly.

The wheelbase got longer . . . so now you can choose between a Ford that's over 16 ft. long—or one over 17 ft. long!

The frame got wider. Side rails bow out to give a more stable, safer riding platform . . . a lower, sleeker silhouette.

The ride got smoother. With new suspension, new springing front and rear, the ride this new Ford gives is the smoothest ever.

The handling got easier. Poised and balanced like a panther, this car has swept-back front suspension that works its magic when you need it most.

The power got hotter. There's a wide range of Silver Anniversary V-8's to fit every horsepower need* . . . plus a new Mileage Maker Six.

"Six or V-8 the going is great"

The new Ford Fairlane 500 (118-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

The lines got sweeter. They have the Touch of Tomorrow. Each graceful contour says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops.

The value got greater . . . the price is still Ford-low.

*A Special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 engine delivering up to 285 hp.

SEE IT FOR YOURSELF!

So now you know the magic of the '57 FORD!

Miss Ethel Mae Jistel, daughter of Mr. and Mrs. Hubert Jistel, who is a student at the Waco Providence School of Nurses spent the weekend visiting with her parents and family.

MRS DRAWTON LOUIS HOLLEY
Formerly Miss Virginia Lee Graham

Virginia Lee Graham Weds Drawton L. Holley Here

Mr. and Mrs. Drawton Louis Holley will reside in Houston following a short honeymoon trip to an unannounced destination. They married in a double ring ceremony at the First Baptist Church in Cameron. The wedding was performed at 7 p. m. Saturday, October 13.

Formerly Miss Virginia Lee Graham, the bride is the daughter of Mr. and Mrs. Gillis Graham of Cameron. Mr. Holley is the son of Mr. and Mrs. D. L. Holley of Abilene.

The bride's ivory silk taffeta dress was designed with appliques of re-embroidered Alencon lace outlining the tulle yoke and encircling the high neckline. A tracery of iridescent paillettes and pearls further accented the neckline. The full skirt swept into a chapel train. Her veil was a French illusion attached to a crown of pearls and brilliants. She carried a white Bible showered with Lily of the Valley and Frenched Carnations and centered with a large White Orchid.

Maid of honor was Miss Kate McLane of Cameron while the bridesmaid was Miss Ann Bradbury, also of Cameron. Waltz length dresses of Copen blue crystalline and circular veiled hats of matching velvet were features of their dresses. They carried bouquets of tailored doty Chrysanthemums.

Ronny Ayers of Houston was best man. Groomsman was Robert Plenge of Louisville, Kentuckey. Ushers were Gene Reamer of Houston and John Iler of Louisville, Kentucky.

The ceremony was solemnized by the Rev. A. F. Russell of Cameron. Music was by Mrs. C. W. Bradbury of Cameron, organist, and Miss Norma Laster of Houston, soloist. Selections sung were "The Lords Prayer" and "Oh! Perfect Love." The bride was given away by her father.

A graduate of Baylor where she was a member of Phi Gamma Nu and Delta Alpha Pi, the bride is now employed in Houston. The groom is also a Baylor graduate and a member of the Tryon-Coterie Club. He too is employed in Houston.

Following the ceremony, a reception was held for the couple at the Baptist Reception Hall. There was a three-tier wedding cake served by Miss Mary Elizabeth Biggs of Liberty. Miss Ann Garner of Galveston poured while Miss Greta Cozette of Houston was at the bride's book.

Others in the houseparty were Ann McCall of Harlingen, Sara Wilkinson of Cameron, Shirlee Lowry of Lufkin, Martha McMillan of San Angelo, Sammy Markham of Cameron and LaVerne Michalka of Cameron.

Attire of the bride's mother was a blue faille dress and a jewelled hat while the groom's mother wore a mauve faille dress with a hat to match.

Miss Graham Is Shower Honoree

A bridal shower honoring Miss Virginia Graham, bride-elect of Drawton Louis Holley of Abilene, was given Saturday, October 6, by Mrs. R. L. Batte. Assisting the hostess at the event were Mrs. John Batte, Mrs. Coleman Duncum and Mrs. Johnny Graham.

There were 25 guests attending the shower including Mrs. Becker of Conroe, who has been a guest in the home of Mrs. Batte for several days.

Flower arrangements were formed throughout the area in which the shower was held. These arrangements were made from a multitude of miniature roses and Queens Wreath and assorted roses.

The honoree and the guests were served a fruit plate, punch and dips with triangle thins and potato chips.

Announcing the arrival of the individual guests as they enter the gate before the Batte residence was Will, colored man serving as the page for this top social event of the season. Will was dressed in a white mess jacket and black trousers.

Misses Carol Matula and Patricia Moraw, students at Durhams Business School in Austin spent the weekend visiting their families.

Miss Mary Sheerer Weds Lavelle Layfield In Kerens Church Rites

Miss Mary Sheerer, daughter of Mr. and Mrs. Cato Sheerer of Cameron, became the bride of Lavelle Layfield, son of R. T. Layfield and the late Mrs. Layfield of Kerens, at 7:30 p.m. Thursday, October 4 at the West side Church of Christ, with the bride's father as officiant.

James Wade of Cameron read the 23rd Psalm and the 31st chapter of Proverbs before the ceremony. A recording of poems, "A Woman's Question" and "Entreat Me Not to Leave Thee" by the bride and "My Answer" by the bridegroom served as the processional.

Martin Duncan of Abilene Christian College sang "Because" and "I Love You Truly" preceding the ceremony and "Be With Us, Lord" for the recessional.

The bride, who was escorted to the altar by her brother, Jimmy Sheerer, of Llano, wore a gown of white satin with overskirt of net and bodice of Chantilly lace. The high collar and yoke were outlined with seed pearls, and the long sleeves terminated in petal points over the hands. Her veil of imported tulle fell from a tiara of seed pearls, and she carried a spray of white carnations centered with two white orchids. Her only jewelry was a pearl necklace which was an heirloom in the bridegroom's family.

Mrs. Charles Williams of Van Horn, sister of the bride, served as matron of honor, Miss Nelda Alderman was bridesmaid, and the flower girls were Gail Rich of San Antonio, niece of the bride, and Sandy Layfield of Kerens, niece of the bridegroom.

Thomas Earl Layfield of Kerens, brother of the groom was best man, and Charles Williams of Van Horn was groomsman. Ushers and candlelighters were Alvis Alderman and Finis Martin.

Informal Reception

An informal reception was held at the home of the bride's uncle and aunt, Mr. and Mrs. Lee Heifner. Mrs. Doyle Layfield of Athens, sister-in-law of the bridegroom, cut the cake, Mrs. Kenneth Rick of San Antonio, sister of the bride, poured punch, and Mrs. Boyce Ross of Kerens registered the guests. Miss LeLene Heifner, cousin of the bride, Miss Tommie Layfield, niece of the groom, Mdes. Cliffon McLin, Allie Tyner, Clyde Heifner and Chester Norris were also members of the houseparty.

After a short wedding trip, the newlyweds will make their home in Abilene, where the bridegroom is a sophomore student at Abilene Christian College. For travel, the bride chose a gray tweed suit with black accessories and a corsage of white orchids.

Out-of-town Guests

Out-of-town guests at the wedding were Mr. and Mrs. Wayne Sullivan of Ennis, Mr. and Mrs. James Wade and children of Cameron, Mr. and Mrs. Hayes Hanks of Houston, Mrs. Kenneth Rich and children of San Antonio, Mr. and Mrs. Jimmy Sheerer of Llano, Mr. and Mrs. Charles Williams and children of Van Horn, Mr. and Mrs. McWhorter of Cayuga, Mr. and Mrs. Doyle Layfield and children of Athens, Martin Duncan of Abilene, and a number of guests from Kerens.

Bell County Ladies Speak To Garden Club

Mrs. Preston Childers of Temple and Mrs. Harry Frey of Belton spoke to members and guests of the Cameron Civic Garden Club Thursday morning, October 11. Both are national Iris judges and lecturers. They were introduced by Mrs. Leo Fuchs.

Mrs. Childers gave information on planting, growing, cultivating and grooming of Iris for blue ribbon plants for an Iris show.

Colored slides taken in her own Iris garden and from California and Salt Lake City were shown and discussed by Mrs. Frey.

Plans for the district five division two, fall meeting in Marlin on October 18 were discussed.

Mrs. R. G. Grabein, president, conducted the business session

A report on the Texas Garden Club Inc. Fall board meeting, "Wonders of the West," in Midland, October 3-4 was reviewed by the club delegates, Mrs. Leo Fuchs and Mrs. Grabein.

Thirteen members and the following guests were present; Mrs. Clark Kelley, Mrs. Pearl Graves, Mrs. H. F. Smith, Miss Aetna Smith, Mrs. Dalhia Woods, Mrs. George Childress and Mrs. Edwin Brod.

Good Neighbor Club Getting Underway

There will be a "homemade" ice cream supper at the Clarkson Recreation Center Tuesday night, October 30. The supper is being sponsored by the ladies of the community, who have arranged for entertainment and fun for all attending.

Purpose of the meeting is to organize "A Good Neighbor Club" to meet once each month and to raise funds to pay the utility and other bills arising.

A guest speaker will be present at the Tuesday meeting to assist in organizing the club.

Stella Thorpe Made President Of First Baptist S.S. Class

Stella Thorpe was elected president of the First Baptist Martha Class Monday night, October 8, at the home of Mrs. Gladys Dusek. Margie Magness was made vice president, Bonnell Depew, secretary and Ruby Lee Swanzy, reporter.

Group Captains of Group I were Dovie Rivers and Dott Patterson; Group II, Dorothy Thompson and Mrs. John Gay.

The meeting, called to order by Ruby Lee Swanzy, was led in the opening prayer by Mrs. Gale Jones. Mrs. Ruby Plemper gave the devotion, and the meeting ended with recital of the Lord's Prayer.

Refreshments were served by Mrs. Dusek, Elizabeth Pool and Ruby Lee Swanzy.

Each member worked up her own yearbook.

Bel Air Coupe Mirrors New Styling

Longer, lower "in motion" emphasis on design of Chevrolet's three series of passenger cars for 1957 is evident in this view of the new Bel Air sport coupe. Along with the exciting exterior and interior styling, a higher performance peak and marked mechanical advances are among features.

42 Leisure Club Holds Meeting

Mrs. Leo Fuchs entertained the 42 Leisure Club at her home, 1707 North Travis Street, last Thursday afternoon, October 11. Guests present at the meeting were Mrs. C. C. Armstong, Mrs. Jim Crouch and Mrs. Jean Mees. Mrs. Ralph Michalka, a new member of the club, was also present.

Mrs. Crouch and Mrs. Anna Slama also won a prize for an "84" game.

The hostess served the members and guests a party plate of Angel food cake, dainty sandwiches, nuts and strawberry frappes.

Next meeting of the club will be held at the home of Mrs. John Matyastik on the afternoon of October 24.

Shower Honors Mrs. Billy Henderson At Ed Senkel Home

Mrs. Billy Henderson, of Buckholts, formerly Miss Alice Johle, was honored with a miscellaneous shower at the home of Mrs. Ed Senkel recently. Mrs. Raymond Wall and Mrs. Millie Krall were co-hostesses with Mrs. Senkel.

Mrs. Senkel, the honoree and her mother, Mrs. Dempsey Johle, of Temple, and Mrs. Sam Henderson of Buckholts, mother-in law of the recent bride, greeted the guests.

A white lace cloth over blue covered the dining table and was centered with Queen's Wreath.

Serving from the crystal punch bowl was Miss Sharon Johle. Miss Carolyn Wall served the cake, and Miss Cathie Gersbach assisted with the gifts.

Miss Judy Wall registered 43 guests in the bride's book.

Mr. and Mrs. Clem Zarosky left Sunday on a one week vacation. They will visit relatives in Beeville, Robstown and Corpus Christi.

Guests of Mr. and Mrs. Ben Talley in Temple, Saturday, were Mr. and Mrs. C. L. Lively of Cameron.

Chevrolet Featuring 460 Model - Color Combinations

Widest selection in history marks the 1957 passenger car line which Chevrolet dealers show to the public for the first time, Friday, October 19.

The customer has his choice of 460 model-color combinations, almost one-third more than available at the outset of 1956 production.

Here's how the variety in models stacks up:

Bel Air — Two-and four-door sedans, two-door sport coupe, four door sport sedan, convertible, Nomad station wagon.

Two-Ten — Two-and four-door sedans, two door club and sport coupes, four-door sport sedan, two and four-door, six-passenger station wagons, and four-door, nine-passenger station wagon.

One-Fifty — Two-and four-door sedans, utility sedan and two-door, six-passenger station wagon.

Overall length of the passenger cars is increased to a total of 200 inches with wheelbase remaining at 115 inches. The lowered hood emphasizes the horizontal sweep of body lines to the flared rear fender fins for balanced beauty. The conventional hood ornament is replaced by twin lance-shaped windsplits, Headlamps are farther apart than in the 1956 models.

Widest color choice in Chevrolet's history is offered. The total of 460 model-color combinations compares with 364 at the outset of 1956 production. Of the 17 exterior colors, seven are new. There are 16 solids and 15 two-tone selections. Two-tone paint is available on all models except the convertible.

Seats, fabrics and instrument panel carry the most striking Chevrolet interior styling changes for 1957. Front seat backrests are of a slim, tapered Gothic design, giving roominess and elegance.

Front seat headroom has been increased in most models while front seat legroom has been added in all sedans and coupes.

With the lower hood, windshields have greater visibility area than previous Chevrolets. The glass increase ranges from 69 to 75 square inches through the model lineup.

Business Women Hear Discussion Of Amendments

Miss Mildred Thornton discussed the pros and cons of each of the nine amendments to the U.S. Constitution to be voted on at the regular meeting of the Business and Professional Women's Club on Monday, October 15.

Miss Vance Randolph discussed the fourth amendment which is on "Teacher Retirement."

Mrs. Roberta Bowling and Mrs. Julia Brown as hostesses served punch and sandwiches.

Next meeting of the club will be November 5.

T.S.C.W. Alumnae To Honor Milam School Girls October 23

Milam County high school girls will be honored at a meeting of the Milam County Chapter, Texas State College for Women Alumnae Association, Tuesday, October 23.

The meeting will be at the home of Mrs. Niley Smith in Cameron. Mrs. Otto Tumlinson will be co-hostess.

Special guests will include Miss Kate Adele Hill, president of the TSCW Alumnae Association and Miss Gertrude Gibson, TSCW staff member.

A special film produced by Lever Brothers and featuring TSCW students and showing campus scenes of the university for women in Denton will be shown.

Meeting time will be 7:30 p.m.

Members from Rockdale, Cameron, Bremond and Thorndale are expected to attend.

Noah Webster began writing the dictionary in 1807 and finished in 1828.

CAMERON, TEXAS

Rockdale Man Praises Rodeo

"I honestly believe the silver anniversary prison rodeo will outshine any in the history of these great events," declared H. H. Coffield, Rockdale businessman and chairman of the Texas Prison Board, following his viewing of the October 7 performance of the 25th annual series of the Texas Prison Rodeo.

"The inmate riders did better; the broncs and bulls were saltier, and the thrilling performance of Miss (Maryln) Rich was 'out of this world,' he added. Coffield assured rodeo fans they can be certain the following Sunday rodeos in October will please the most exacting entertainment fan.

Southbound Birds Mistake Greenhouse Roofs For Lakes

Lester Glass, proprietor of the green houses and florist shop in Cameron and Rosebud, is beginning to have a "nervous" fall.

Seems flocks of geese and ducks on their flights south for the winter are mistaking his green houses for small lakes as they pass over Cameron in the early morning and twilight hours. They sail in for a possible landing and the local florist from necessity for protection of the glassed-in buildings must let his lungs hit a high "C" to prevent their settling on said roofs.

McKinney Tells Legion Members Hospital Needs

Cameron American Legion members were urged Tuesday night, October 9, to visit veteran patients in the Marlin VA Hospital more often. Making the request was Jim McKinney, who is special service officer at the institution. Subject of his talk as guest speaker was "Needs of the Veterans Hospital." Jack Lenoir of Marlin and district Legion commander was another guest of Post No. 9.

Other business of the meeting included approval of bills for payment and the naming of committees to be in charge of the November 11 Veterans' Day dinner and dance. A nominating committee was also named to appoint possible candidates for the position of vice commander of the post. The vacancy of this position follows the moving of the former vice commander, Milton Fuqua, from the Cameron area.

A letter from the state commander of the American Legion was read at the meeting in which it was announced that Wayne Mann of Cameron has been appointed chairman of the State Agricultural Committee for the Legion.

The regular monthly barbecue followed the business meeting, which was held at the American Legion Hut in Cameron.

MODERN HOMEMAKING

Recipes... Household Helps

By Julia Hunter
HOME ECONOMICS DIRECTOR
LONE STAR GAS COMPANY

The smart homemaker can plan and serve tastier meals if she makes the best use of the large food freezing compartment in her refrigerator by freezing small quantities of seasonal foods.

For best results when freezing foods, the homemaker should give careful consideration to the selection of the food, the preparation, packaging, freezing and storage. Each step can play a big part in making the frozen product desirable.

Care should be exercised when selecting foods for freezing. Food taken from the freezer is no better than the food put into the freezer, since freezing does not improve quality. Preparation of foods for freezing should be done quickly because promptness in handling and freezing any product helps retain quality. Preparation instructions should be followed carefully.

Proper packaging of foods is essential. The purpose of packaging is to preserve texture, flavor, color, food value and to prevent drying out or evaporation. Use moisture-vapor-proof materials such as double cellophane bags, heavily waxed cartons, tin cans, glass freezer jars, plastic cartons, aluminum cartons, cellophane, pliofilm, polyethylene and laminated freezer paper. Milk cartons, ice cream cartons and waxed paper are not moisture-vapor-proof.

Food should be frozen soon after packaged. No more unfrozen food should be put into a freezer section than will freeze within 24 hours, usually two or three pounds of food per cubic foot of freezer space.

For quickest freezing, place packages against walls or on the floor of the freezer section. Food packages should be arranged with a little space between them so air can circulate freely.

Preparation, packaging, storage temperatures and kind of food stored affect length of time foods may be stored. Suggested storage periods are: fruits and vegetables, one year or less; feef, veal, lamb and mutton, one year or less; pork and poultry, six months. Storage periods for cooked foods vary considerably.

A free bulletin on preparation of individual foods for freezing may be obtained by sending a post card to the Home Economics Department, Lone Star Gas Company, Room 601, 301 S. Harwood Dallas, Texas.

RECIPE OF THE WEEK

Macaroon Fruit Fluff: Beat until stiff, gradually adding sugar, one egg white and two tablespoons of sugar. Fold in one cup of frozen peaches or strawberries, thawed, ½ cup whipped cream and three cups crumpled coconut macaroons. Spoon into serving dishes. Chill in refrigerator three hours. Yields eight servings.

Home Makers Get 9 New Members

Regular business meeting and social for the Home Makers Class of the First Baptist Church was held Tuesday, October 2. The meeting was held in the Baptist educational building.

In the absence of the president, Mrs. John Hause, the meeting was presided over by Mrs. W. A. Heath, the vice president. Opening prayer was by Mrs. Dan Gunn while the devotional was taken from Psalms 121. Subject of the meeting was "Driftwood" and was presented by Mrs. John Ryan.

Report for the year ending October 1 was given by Mrs. J. D. Fikes, the secretary and treasurer. The reported average attendance for the year was 11 and the average grade 63½. Offerings to the church budget for the year was $548.65 and Love Offerings for 11 months was $27.01. There were 21 visitors during the year and nine new members.

Joe Denson Recuperating

Mr. and Mrs. Joe Denson spent several days, while Mr. Denson is recuperating from a severe illness, in the Rogers home of his sister, Mrs. J. B. Skinner. Going to Rogers Tuesday the couple said that all they did was rest, eat and ride over the country with a "special" chauffeur seeing the Belton Damsite, Tennessee Valley and other points widely scattered. Denson is still a little peaked but seems to be well on the road to recovery.

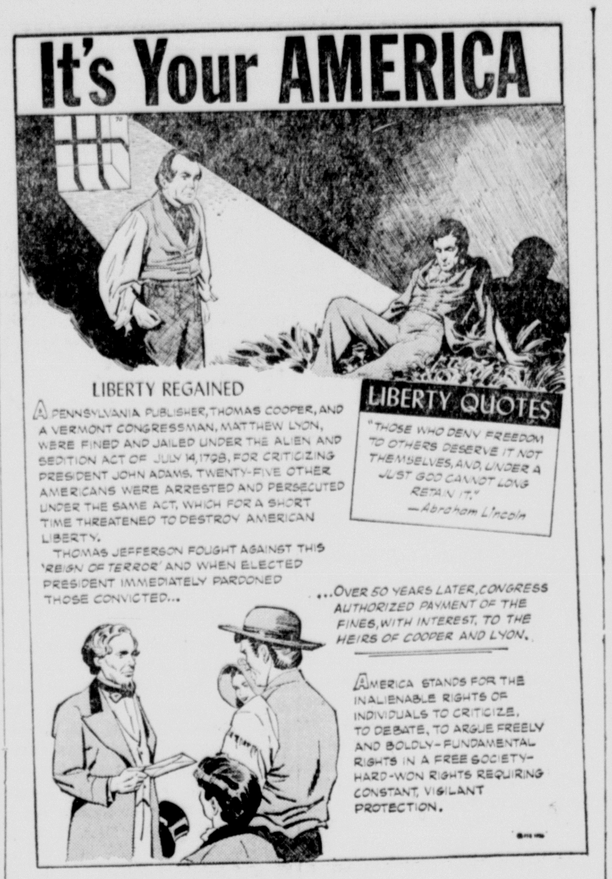
A man whose normal weight is 150 pounds would weigh about 50 pounds if all the water in his system were dried up.

Czech Society Gains Members

Nine new members were gained by the Czechoslovak Society of America (Lodge Cameron No. 460) in a short recruit drive ending Wednesday evening, October 10. New members are Mr. and Mrs. Willie Kuzel and children, Janice and Ernest, Mr. and Mrs. B. M. McCord, Monk Matula and Misses Olga and Betsy Horelica.

Following opening of the meeting with the Pledge of Allegiance, Johnny Pernice, the president, gave a welcoming address to the guests. He then explained the basic principles of the C.S.A.

Refreshments of barbecued goat potato salad, brown beans, cake, cookies and cold drinks were served to the members and guests.



It's Your AMERICA
LIBERTY REGAINED
A PENNSYLVANIA PUBLISHER, THOMAS COOPER, AND A VERMONT CONGRESSMAN, MATTHEW LYON, WERE FINED AND JAILED UNDER THE ALIEN AND SEDITION ACT OF JULY 14, 1798, FOR CRITICIZING PRESIDENT JOHN ADAMS. TWENTY-FIVE OTHER AMERICANS WERE ARRESTED AND PERSECUTED UNDER THE SAME ACT, WHICH FOR A SHORT TIME THREATENED TO DESTROY AMERICAN LIBERTY.
THOMAS JEFFERSON FOUGHT AGAINST THIS 'REIGN OF TERROR' AND WHEN ELECTED PRESIDENT IMMEDIATELY PARDONED THOSE CONVICTED...
LIBERTY QUOTES
"THOSE WHO DENY FREEDOM TO OTHERS DESERVE IT NOT THEMSELVES, AND, UNDER A JUST GOD CANNOT LONG RETAIN IT."
—Abraham Lincoln
...OVER 50 YEARS LATER, CONGRESS AUTHORIZED PAYMENT OF THE FINES, WITH INTEREST, TO THE HEIRS OF COOPER AND LYON.
AMERICA STANDS FOR THE INALIENABLE RIGHTS OF INDIVIDUALS TO CRITICIZE, TO DEBATE, TO ARGUE FREELY AND BOLDLY—FUNDAMENTAL RIGHTS IN A FREE SOCIETY—HARD-WON RIGHTS REQUIRING CONSTANT, VIGILANT PROTECTION.

Santa Coming To Cameron This Year On Sleigh

The Trade Development committee of the Cameron Chamber of Commerce is planning to build a sleigh for Santa to ride in, in the Christmas parade this year. Bands and riding clubs are being invited to participate and service organizations being invited to enter floats in the parade.

Business and professional women will again sack the candy to be distributed to the kiddies after the parade. A tenative date and hour has been set but the committee is checking to see if there is any conflicting projects set for this date.

Miss Josephine Klement Dies Here

Funeral services for Miss Josephine Klement, 70, who died at St. Edwards Hospital Wednesday afternoon were held from St. Monica Catholic church Friday, October 12 at 9 a.m. with Father George J. Duda officiating. Burial was in St. Monica's Cemetery. Rosary was at the Marek-Burns Funeral Chapel Thursday at 7:30 p.m.

Survivors are three brothers; Joe Klement, Cameron; Ernest Klement, Buckholts and Frank Klement of Texarkana; two sisters Mrs. Frances Hertenberger of Cameron and Mrs. Albertina Anderle of Windthorst, Texas.

Its nine-feet wing-spread makes the condor the largest bird that flies.

EXTRA TRACTION. With the all-wheel traction of its 4-wheel drive, the Universal 'Jeep' travels through mud, sand, soft earth.

MOBILE POWER. With power take-off, it provides power to operate trenchers, winches, and many kinds of farm and industrial machinery.

TOWING. Towing heavily-loaded trailers—on or off the road—is easy for the 'Jeep', with the extra traction of its 4-wheel drive and low gear range.

HAULING. The 'Jeep' carries up to a half-ton of cargo or up to seven passengers. Takes tools, equipment and workers wherever you need to go.

Only the 'Jeep' does all these jobs!

The time-tested Universal 'Jeep' spreads its cost over jobs like these and an almost endless variety of others every day of the year. This versatile vehicle gives you additional savings through long life, low upkeep and high resale value.

4-WHEEL-DRIVE UNIVERSAL 'Jeep'
WILLYS... world's largest makers of 4-Wheel-Drive vehicles

Mrs. Speck Elliott of Cameron spent Tuesday here with her mother.

Mrs. Carlos Sloan was a guest in her sister's home. Mr. and Mrs. Collie Gerdes, of Caldwell last week.

Milano had another grass fire, Friday, that burned most of the day.

In the ball game, Friday night, the Copperas Cove Bulldogs beat Milano 21-0.

Mr. and Mrs. Clyde Pinkerton have moved into a home in Rockdale which they bought. Clyde, works at Alcoa.

Mr. and Mrs. Bobby Martin have returned to their home in Long Beach, California, after a visit here with his parents, Mr. and Mrs. Jim Swanzy. Bobby is to leave for Japan about the first of next year. He is in the Navy.

Cameron Cafe Re-Opened

Mr. and Mrs. Bill Grizzard, Jr., and family moved into a Cameron residence located at 1205 North Houston Street last Tuesday, October 16. Grizzard is returning to Cameron for the purpose of assisting his mother, Mrs. Viola Grizzard, in the operation of the Cameron Cafe which she re-opened on the square on September 26.

The cafe was previously operated here at the same location by Bill's parents.

Grizzard, his wife and two children, Faye, 8, and Randy, 9, are returning to Cameron from Jacksonville, Texas, where he was associated with the Safeway Stores. He is a member of the VFW and the Baptist Church.

Jack Dempsey held the heavyweight boxing crown for seven years.

The human heart rests about eight-tenths of a second between each contraction.

4-H Club Notes

By Lester Byrd
Ass't. County Agent

On Saturday, October 6, thirty-seven 4-H Club members and seven adult leaders from the Milano, Ad Hall and Buckholts 4-H clubs and the Ass't. Agent attended the Rural-Youth Day activities at the State Fair of Texas.

Jeanette and Johnnie Ray Richter, of Cameron, entered nine head of turkeys in the Dallas Fair. They entered the birds, October 5, and they were auctioned off October 10.

Jeanette had one pen of three hens and they were graded as a superior pen. The Highland Park Poultry Company paid her 54 cents per pound for the hens.

Johnnie Ray exhibited one pen of three hens and a pen of three toms. The hens were graded as a superior pen and were purchased by Western Hatchery for 57 cents per lb. His toms were graded good and were sold on the market for a small premium.

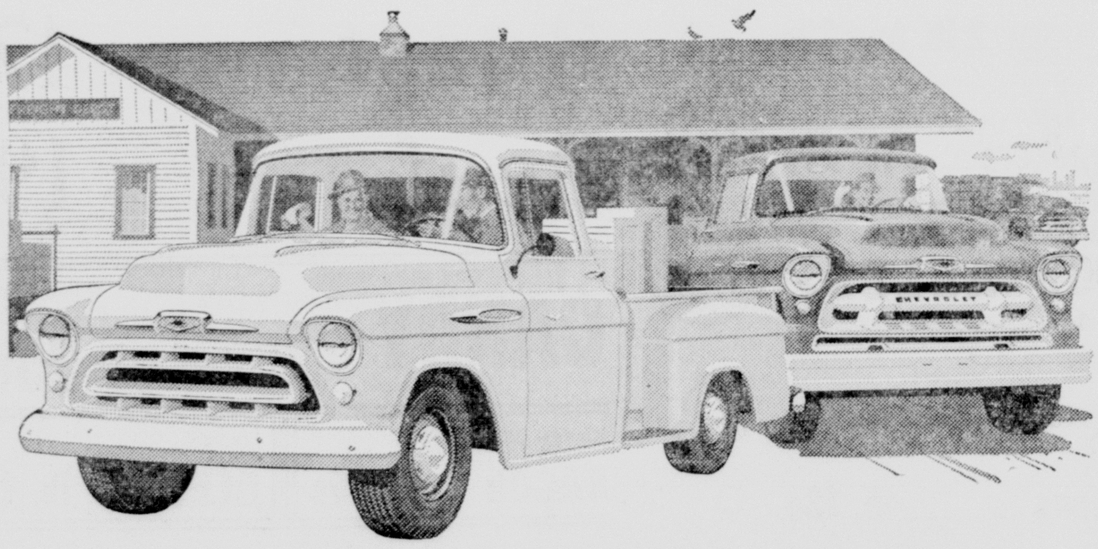
Johnnie Ray's turkeys were out of the turkeys that the Sears Foundation had presented to him through the County Sears Poultry Program.

CARD OF THANKS

We wish to extend our sincere thanks to everyone who assisted in any way during the recent illness and death of our beloved wife and mother. We deeply appreciate the many acts of kindness and words of sympathy spoken to us during our hours of great bereavement. We will remember always with gratefulness each one who came to us in our hours of sorrow.

The S. M. Allison Family

On March 21 and September 23, day and night are of equal duration in every part of the world.



Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

School Board --

(Continued from page 1)

for all to study and then the insurance exchange will meet and bring a unanimous recommendation back to the board.

Mr. Jim Clutter of Houston who brought out the recommendatos suggested that his company could underwrite all the present properties insured with the exception of the old O.J. Thomas building for $10,912 as against the present premiums totalling $15,383.92 with 100 percent co-insurance. The insurance would be placed through the Camp Insurance Agency with Emory B. Camp splitting the commissions on the business. Camp assured the coard that his position on prorating the business to all the companies has not changed but felt that this might be a deviation which promised financial benefits to the schools. Other companies present disagreed with the proposal on the grounds that their companies would lose their identity with the school insurance program.

Board member Max Howard stated that his finding in a recent small fire suffered by his firm at Burkes-Howard was that the consensus of three adjusters made a more fair appraisal of the loss than one would have made. Vice president of the board, Earl Curtis vowed that he was not impressed with the one company coverage. The board will consider the report due from the local insurance exchange.

The Future Farmers of America will send five delegates to the national convention of that organization in Kansas City this month. The school board voted to allow them to have their expenses paid from funds of that organization. The FFA raises funds by the concession stands at the ball games.

T. C. Canady and L. J. Armstrong were hired as O. J. Thomas janitors.

FOR RENT: Three room furnished apartment. Newly Decorated. See Mrs. Cato. 906-C North Fannin. 27-tfc.

FOR RENT: Three room furnished house. Phone 585. 28-tfc.

HERALD

Coffee Shop --

(Continued from page 1)

specialty.

Wop, Chef and Guacamole salads steaks and al la carte enchiladas, tamales, tacos and chalupas give an idea of the Mexican taste delights offered by the part time chef Smith.

Tuesday, opening day was fraught with many opening day frustrations. The management was extremely chagrinned at delays and coffee that was not hot enough and at noon some local people were disappointed after a bus load of children cleaned the steam table of food. These difficulties will be overcome, for sure, says the chef, adding "We are surely going to bring something new to Cameron and we just hope the people will approve it with their patronage."

Hours will be from 5 a.m. to 8:30 p.m. daily and Sunday.

As an added attraction Mrs. Mayhew is offering TV (Take Home) snacks from the steam table. You may bring your own containers she suggests for some of the tasty Mexican dishes.

Balance, Economy Keynote School Cafeteria Menus

Vegetable Stew on Monday, Barbecued Luncheon Meat on Tuesday, Chicken and Dressing on Wednesday, Vegetarian on Thursday and Fish Sticks on Friday is the way the heavy part of the Cameron school menu looks for the week of October 22-26.

Leon Brady, elementary principal, charged with menu setting that will meet dietary demands at the low, low cost of twenty-five cents per meal has the following to offer as the remainder of the well-rounded meal for considera-tion of the diet-conscious parents:

MONDAY: Fruit salad (peaches plus other fruit), bread, milk and gingerbread.

TUESDAY: Plain pinto beans, frozen greens, cornbread, milk and peach cobbler.

WEDNESDAY: A congealed orange, carrot, pineapple salad, bread milk and cookies.

THURSDAY: Ranch style pinto beans, cabbage-onion cole slaw, scolloped potatoes with cheese, hot rolls-butter-syrup, jelly or honey.

FRIDAY: Macaroni and sliced peaches.

Superintendent Wiley Loughmiller, in 1955 was in the same position as Leon Brady and before the School Board graciously admitted that Brady is "Doing a better job" in the cafeterias than he was able to do.

Rev. Paul Byram

THE FIRST BAPTIST CHURCH of Milano, wishes to invite all the people to their revival, which will begin October 24 and go through October 29. Rev. Paul Byram will be the evangelist, Rev. Byram is a Graduate of Baylor and also has his masters from Baylor. He is pastor of the Speegleville Baptist Church. The services will begin at 7:30 each evening. We want to welcome all to come and hear Rev. Byram preach the gospel truth, says Reverend Claude Ellis, pastor of the Milano Church.

BEN ARNOLD NEWS

By Mrs. A. T. Swanzy

The community party sponsored by the Ben Arnold Community Club was attended and enjoyed by a large number of people on Saturday night. LeRoy Massengale led the do-si-do games, Paul Meeks furnished the music and Mrs. Marbeth Hutson donated ice for the cold drinks.

Robert Buffington and Jack Scarborough of Bryan visited Mrs Nettie Buffington and Mrs. Dan Scarborough on Sunday.

Mr. and Mrs. Key Schwarting and family of Victoria visited Mr. and Mrs. Grady Allen of Cameron and Mr. and Mrs. Fritz Schwarting of Ben Arnold last weekend.

Mr. and Mrs. Richard Heugatter and sons, Mr. and Mrs. Jesse Strickler and sons of Houston visited Mr. and Mrs. Walter Strickler of Ben Arnold and other relatives of Cameron last weekend.

Archie Massey of Pasadena was a guest in the homes of Mr. and Mrs. J. T. Swanzy and Mr. and Mrs. L. A. Swanzy last week.

Mr. and Mrs. J. T. Swanzy accompanied Floyd Swanzy on a trip to Big Lake and Commanche to visit relatives last week.

On Sunday, October 21 a group of students from Baylor will present a special missions program at the Baptist Church in Ben Arnold. These programs will be at 11 o'clock and 7:15 p.m. All are welcome.
